Last-Minute Truce Averts Walkout Of Seamen in U.S.

Settlement Reached at Strike Deadline—Get 40-Hour Week in Port, Pay Increases

WASHINGTON, June 14 (AP).—The maritime labor dispute was settled tonight at almost the exact moment when a great country-wide shipping strike was to begin.

Granville Conway, war shipping administrator, told reporters the agreement "had been signed and sealed."

Harry Bridges and Joseph Curran, co-chairmen of the committee for maritime unity, issued a statement at 11:30 p.m., E.S.T., claiming for the C.M.U. "an unprecedented victory for all maritime workers and for the labor people of America."

They said these were the terms:

1. For Seamen—40-hour week in all ports; $17.50 monthly increase, retroactive to April 1; all work performed on Sunday at sea to be paid at the overtime rate which is raised to $1 an hour. Other collateral issues to be negotiated in the next 30 days, and if no agreement reached these issues will be submitted to arbitration.

2. For Radio Operators—A wage increase of $17.50 a month and arbitration of an "additional amount to preserve historic differentials"; overtime rate for all work performed at sea on Sunday (meaning overtime after a 48-hour week); arbitration of new overtime rate and additional radio operator on all cargo ships.

3. Engineers—Provision for overtime for Sunday at sea, and a 40-hour week in port.

4. Longshoremen—Increase of 22 cents an hour as recommended by a fact-finding board, retroactive to last October 1.

All the proposals are subject to ratification of the unions involved.

Bridges said operators had agreed to pay, by October 30, $8,000,000 to $10,000,000 in retroactive pay increases to his longshoremen. The wage increase in the new agreement is retroactive to last October 1.

$50,000 Hi-Jack Ring Broken Up

MONTREAL, June 14 (CP).—A $50,000 truck hijacking ring, believed in operation for ten years and first uncovered May 17, is "broken for good," Detective Capt. J. A. Quenneville of the Provincial Police said today following the arrest of ten men and three women, alleged members of the ring.

BULLETINS

To Contest Seats

VANCOUVER, June 14 (CP).—The United Veterans' Committee said at a meeting here tonight they will name a committee Sunday to select candidates to contest all offices in the 1946 civic elections. Ben Wilson, acting chairman of the committee, said that all veterans' groups have been asked to send representatives to the meeting.

Sabotage Denied

MONTREAL, June 14 (CP).—Conrad Sauras, Canadian Seamen's Union official in Montreal, tonight said that charges of planned sabotage made Thursday by the National Maritime Federation were "fantastic" and "if the C.S.U. is going to win this strike, it's going to be won the right way."

Coal Shortage

TORONTO, June 14 (CP).—E. R. Lockyer, secretary of Toronto Coal Exchange, today warned householders to conserve every possible pound of coal and predicted a severe coal shortage next Winter if the Lake shipping strike continues.

Saar to France

SAARBRUECKEN, June 14 (Reuters).—Col. Gilbert Granval, French military governor of the Saar, declared today in an interview that this rich, coal-bearing province would become a "French protectorate" if the Big Four Foreign Ministers at their meeting in Paris settle this unsolved problem of Europe in France's favor.

Atomic Research

OTTAWA, June 14 (CP).—Canada plans to distribute atomic energy by-products for use in medical laboratories, Reconstruction Minister Howe today informed the Commons. Similar action was announced by the United States yesterday. Mr. Howe did not disclose details of the Government's plans.

Study Blindness

OTTAWA, June 14 (CP).—The Federal Health Department will spend $10,000 this year on a survey to find out the causes of blindness and the best ways of curing or treating it, Health Minister Claxton said tonight in the Commons.

Many Women Among I.W.A. Trekkers to City

—Colonist Photo.

There Were Many Women Among the More Than 2,800 I.W.A. Trekkers Who Marched to Victoria Yesterday. They Added Their Voices to the Leading Slogan of the Men Asking for a 40-Hour Week, Wage Increases of 25 Cents an Hour, and Union Security. Most of Them Wore Slacks.

Chlorination Plebiscite To Be Held

Authorities Reach Decision on Issue

Decision to conduct a referendum on the chlorination issue at the time of the December civic election was reached at a joint meeting of the health committee and the water board yesterday, Alderman J. A. Worthington, chairman, announced following the meeting.

A "yes" or "no" vote will be taken on the following question:

"Are you in favor of continuing protection of our water supply by chlorination?"

Approval of the proposal by the City Council is deemed certain since aldermen have previously expressed their approval.

The committee decided to take no action on a request from the Anti-Chlorination League asking that an expert be hired to make a complete survey of the water problem.

A report will be prepared in answer to questions asked at the last council meeting regarding the pollution of the Goldstream supply and the possibility of using some method other than chlorination for water purification.

Lawyer Raps Mounties On Conviction Method

TORONTO, June 14 (CP). — Max Aiken, Toronto lawyer, today charged R.C.M.P. officers are using un-British methods in setting father against son and friend against friend to obtain convictions in Prices Board cases.

"I've nothing against these R.C.M.P. gentlemen, but there's some civilian up at Ottawa sitting behind a desk directing administration, and all that's lacking here is the crooked cross and concentration camp," he said.

Aiken was counsel for Alfred Carter, who along with Frank and Peter Sarino, appeared in magistrate's court today charged with unlawful acquisition and sale of sugar. Magistrate S. T. Bigelow fined each of the accused $100 and costs.

The statement was directed at the evidence of a close friend of Carter, Walter Marquis, who testified against Carter, and Philip Sarino, a Crown witness in the Sarino case.

"When you're dealing with black market operations, you have to undertake methods that will obtain a conviction," said Kenneth Christie, K.C., Crown prosecutor.

Rev. J. Gaudette Dies in Hospital

Rev. Joseph Augustine Gaudette, assistant parish priest at St. Andrew's Cathedral and chaplain of St. Ann's Academy, died yesterday at St. Joseph's Hospital, after a brief illness.

Born in St. Nicholas, P.E.I., May 28, 1904, he entered St. Dunstan's University in Charlottetown in 1919, graduated in 1925, studied four years of theology at St. Augustine's Seminary, Toronto, and was ordained at his native parish of Miscouche, P.E.I., on June 16, 1929. He was accepted for Victoria diocese by Most Rev. Thomas O'Donnell, then Bishop of Victoria, and arrived here on August 1, 1939.

His principal hobby was music. He played 14 different instruments and composed many motets for church use.

Prayers will be offered at Hayward's chapel Saturday evening at 8 o'clock.

Pontifical Requiem Mass will be sung by Most Rev. J. C. Cody, Bishop of Victoria, Monday, at 9 a.m. Burial will be in Ross Bay Cemetery.

5,010 Trekkers Fed At Four-Hour Meals

Army huts at Macaulay Camp yesterday were scenes of activity as women of the relief committee organized the gigantic task of providing meals for 5,010 hard-eating loggers yesterday.

The job required four hours for each meal, according to Mrs. Ina Peterson, Local 363, Courtenay. Five hundred men and women left from Courtenay in her party, and they were joined by 500 from Port Alberni, 1,000 from Nanaimo, 270 at Ladysmith, 40 cars at Duncan and 40 at Cowichan. Many of the Nanaimo group arrived by ship from the Mainland, and hundreds arrived in this city by water.

Mainland contingent included men from as far north as Prince George and the Queen Charlotte Islands.

Huts at Macaulay were available, but in the absence of cots most of the men slept on the floor. Women were instructed to report to Woodsworth Hall, Pandora Avenue.

Yesterday's parade, which slimmed as the long walk continued, comprised approximately 3,000 people at its completion.

All appeared in good humor yesterday and stressed their solidarity of purpose. Everyone wore "trek" tags and many wore service ribbons and discharge buttons.

Iran Premier Resigns Post

TEHRAN, June 14 (CP).—Azerbaijan Premier Jafar Pishevari today offered his resignation following announcement of an agreement between his autonomous Government and the Central Iranian Government which ended six months of strife and disagreement.

At a meeting of the presidential committee of the Azerbaijan National Parliament—which approved the terms of the new agreement—Pishevari asked to be relieved of the "heavy responsibility of government offices."

The presidential committee, it is reported, accepted his decision, but asked him to carry on until election of the head of the provincial council, which under the agreement is to replace the present Azerbaijan Assembly.

British Quiet On Atom Plan

LONDON, June 15 (Saturday) (CP).—The British press today reported the United States scrap-the-atomic-bomb proposal fully, but in general reserved comment, as did Government officials.

However, the Liberal News-Chronicle said the "American initiative should start a wave of hope in every human heart," and urged "other nations to be quick to express official approval."

The Yorkshire Post said an "offer full of promise has been made, and should be examined in the same generous spirit which prompted it."

The News-Chronicle observed that the proposed atomic development authority "might very well clash with the Security Council which functions under veto rule." The Post suggested no more than "earnest study."

Under heads featuring "Bold Plans" and the end of the veto power, the Conservative Daily Telegraph described what it termed "an impassioned plea for co-operation to render atomic energy a force for peace instead of one that may destroy the world."

Miniature Muskox Now at Churchill

CHURCHILL, Man., June 14 (CP).—The ice in the Churchill River moved out today, a week earlier than last year but well past the record of May 28 set in 1928.

To the residents of this Hudson Bay port, idle for seven lean years, its departure heralded the approach of one of its busiest Summers. From shipping to tourist traffic and military movement the outlook is bright.

Investigation is underway into the possibility of shipping pulpwood and mine timber, cut along the Hudson Bay Railway, to Eastern Canada and United States points from Churchill, as well as wheat for Europe.

An advance guard of ten Canadian Army personnel already are here to prepare for a small Summer counterpart of Exercise Muskox.

Buys All Space on Steamer, Train, to Get Family to B.C.

MONTREAL, June 14 (CP).—Travel in these congested times to all appearances presents few problems for Mr. and Mrs. Eric Legge, of Trinidad.

Faced with the task of transporting their family of nine from Trinidad to Vancouver, Mr. Legge simply bought up all the passenger space on the cargo liner Alcoa Pioneer bound for Montreal, installed his flock in a rooming house for their short stay here, and then chartered a private sleeper in which the Legges leave for Vancouver tonight to live.

Mr. Legge has just retired from the civil service of Trinidad.

Why Vancouver? The Legges visited that city some time ago, fell in love with the place and decided to move there as soon as Mr. Legge retired.

Party Rejects British Plan On India Rule

NEW DELHI, June 14 (Reuters).—After a day of intense negotiations the All-India Congress Party—numerically the largest in the country—tonight finally rejected in their present form the British Cabinet mission's plans for an interim Indian Government and its long-term proposals for India's constitutional future.

In a letter to Viscount Wavell, the Viceroy, Congress President Dr. Maulana Azad, is understood to have based his rejection of the interim arrangements on the grounds that the Viceroy introduced into all discussions equality of representation either between Congress and the Moslem League or between east Hindus and Moslems.

Dr. Azad added that Congress would also reject the long-term proposals unless European members of the Bengal and Assam legislative assemblies were excluded from taking part in elections for the Constituent Assembly.

Nylons at $8,000 A Pair in China

HIGH RIVER, Alta., June 14 (CP).—Nylons are selling for $8,000 a pair in China—$8,000 that is in Chinese money.

Miss Ruth Derr, serving with the United States blood bank in China, wrote an uncle here on China's "nightmarish" inflation in which one United States dollar is worth $2,020 in Chinese national currency at the present rate of exchange.

She said powdered milk in Shanghai cost $3,000 a pound; coffee $6,000 to $7,000 a pound, a restaurant meal is never less than $2,000 and it cost her $8,000 in National currency to get a suit cleaned recently.

Girl Narrowly Escapes Injury Using Gasoline to Stir Up Fire

Florence Sutcliffe, 240 Russell Street, narrowly escaped serious injury in a flash gasoline explosion at 3:45 p.m. yesterday. The 12-year-old girl attempted to stir up a fire in the kitchen stove by pouring gasoline from a gallon-size glass bottle on the embers.

Prompt action by her older brother Wallace in dashing from the house for a garden hose and extinguishing the blaze saved the house from being demolished, according to Deputy Fire Chief Robert Brindle.

Parents of the two children, Mr. and Mrs. W. Sutcliffe, were absent from the house at the time.

A sheet of flame enveloped the kitchen when the bottle fell and smashed, it was reported. When the blaze leapt from the stove, Florence is reported to have been frightened. Dashing from the room she dropped the bottle and called for help.

Her brother responded and extinguished the fire after the gasoline was consumed in a burst of flame. Only minor damage was done in the kitchen.

"This little girl had a very lucky escape," commented Deputy Fire Chief Brindle. "It should serve as a warning to everyone not to use gasoline or kerosene to start fires in the house."

Hope Held for Early End In Woodworkers' Strike

Pearson Advises Union to Reconsider Sloan Recommendations---Important Meeting Sunday

Hopes of settlement of the woodworkers' strike early next week were held here last night following conferences between union spokesmen and the executive council of the Provincial Government. Harold Pritchett, president of District No. 1, International Woodworkers of America, announced after the session with the Cabinet that a meeting of the District Council would be held in Vancouver at 11 o'clock tomorrow morning to discuss the whole strike situation.

A 13-man delegation spent one hour with the Cabinet.

A brief presented by the delegation asked Government support "to bring about an early and just settlement of the present dispute between our union and the organized employers in the woodworking industry in this Province."

It stated in part:

"The people of British Columbia expect and demand that this Government accept its responsibility and give leadership by taking immediate steps to compel the employers in our industry to negotiate with the elected representatives of the I.W.A., and that they remain in continuous session until a just settlement is reached."

GOVERNMENT OFFERS ALL POSSIBLE HELP

Hon. G. S. Pearson, Provincial Minister of Labor, as spokesman for the Government, said later the delegation had been told during the conference that the Government would "do all it can to bring the two parties together and keep them together until settlement is reached."

"We said the machinery for arbitration is all set and has already been used in a most efficient way. In Chief Justice Sloan the best man in the Province was chosen," Mr. Pearson stated.

"We advised the men to give the fullest consideration to Chief Justice Sloan's recommendations and to the advantages these proposals offer to them, before finally rejecting them," the minister concluded.

Mr. Pritchett, after the conference at the Buildings, said the union considered that a very sympathetic position had been taken by the Cabinet, and felt that "the way is open for progress."

Striking Loggers Shorten Stay in Capital Beginning Homeward March Today

STRIKING loggers and sawmill workers who converged on Victoria yesterday as a mass lobby to present their demands to the Provincial Government, made only a one-night stand of what was earlier expected to be a protracted siege on the capital.

This morning the strike marchers will begin the homeward trek to northern points on the Island and to Mainland districts.

Decision to break up the lobby followed an hour-long conference yesterday between strike leaders and Premier John Hart and his Cabinet.

B.C. Conservatives Vote Today to Select Leader

VANCOUVER, June 14 (CP).—Maj.-Gen. George R. Pearkes, V.C., Progressive Conservative Member of Parliament for Nanaimo, tonight criticized Federal Government price control policies.

Speaking to delegates to the convention here of the British Columbia Progressive Conservative party, Gen. Pearkes charged the Government price control policies are alone responsible for shortages in Canada.

"Canada's farmers will lose $200,000,000 because of Government policies which force them to sell on an export market at less than world prices."

He said that the Federal policy was to subsidize the farmers for keeping part of their land in Summer-fallow.

"Is this the time, when Europe and Asia are starving, for us to be selfish?"

He urged Federal intervention in current strikes, and said that "the Dominion Government should not sit idly by and watch our economy go to rack and ruin."

Gen. Pearkes claimed there was "a drift in the Liberal party towards socialism."

"There is a very definite left-wing group of Liberals living in unholy wedlock with the C.C.F."

Party policies were discussed at the convention during the day, preparatory to the election of a new leader tomorrow to succeed the late Attorney-General R. L. Maitland.

Finance Minister Herbert Anscombe still remained the favorite in the betting today, but supporters of W. A. C. Bennett, M.L.A. South Okanagan, claimed heavy rural support. There was also in evidence a mild boom for General G. R. Pearkes.

During the conference delegates will get an opportunity to review their position in the Provincial Government and will consider a resolution from the Kamloops association expressing fear "that the party is in process of being absorbed by the Liberal party."

The resolution urges that the new leader, when chosen, "restate aims and objects of the party and pledge himself to complete independence of action in any matter not in conformity with these aims and objects."

Landlord Fined $3,000 and Costs

WINDSOR, Ont., June 14 (CP).—Abraham Shanzom, Windsor landlord, was fined a total of $3,000 and costs today for having collected three months' rent in advance and for having charged $1 per week above the ceiling for flats in the same house.

Member Asks That Chisholm Be Silenced

OTTAWA, June 14 (CP).—Donald Fleming (P.C., Toronto-Eglinton) said tonight in the Commons that Dr. Brock Chisholm, deputy health minister, should not be allowed to make any more of his widely-publicized speeches on morality in his capacity as deputy minister or "on the time of the Dominion of Canada."

Health Minister Claxton replied that in the speeches referred to Dr. Chisholm did not speak in his capacity as deputy minister or identify himself in any way with the Health Department. He had spoken in his capacity as a scientist and psychiatrist.

Mr. Fleming quoted from a speech Dr. Chisholm made more than a year ago in Washington and said the gist of the remarks were that many of the troubles of humanity today were brought about by the fact that mankind chose to burden himself with differentiating between good and evil.

Fleming President Of New Industry

Philip Fleming was elected president of Felt & Textiles Ltd., at a meeting of the board of directors yesterday.

Vice-president is Archibald Johnston; secretary-treasurer, J. L. Roberts; managing director Ernest D. Riley.

The firm is making final plans for a $1,000,000 textile industry in Victoria.

Destroy All Atom Bombs Share Secret, U.S. Plan

NEW YORK, June 14 (AP).—The United States today offered to destroy the store of atomic bombs and share the atomic secrets for peaceful use if the world would set up adequate safeguards to make sure this weapon never again could be used as an instrument of war.

These safeguards included:

1. Surrender of the veto power by the five major powers on all matters pertaining to atomic development.

2. Creation of an international atomic development authority with absolute power over atomic raw materials and production.

3. Adoption of international laws "with teeth" providing for severe punishment of violators on a basis to be determined by the United Nations.

The United States position was outlined befor the opening session of the United Nations atomic energy commission by Bernard M. Baruch, United States representative on the 12-nation Security Council agency of which Canada is a member.

Mr. Baruch made it clear that the United States would hold a monopoly in the atomic field until the conditions are met.

At Ottawa Reconstruction Minister Howe said today "no one in Canada knows how the United States make their atomic bombs."

But, he felt sure, a Canada that found it necessary could make atomic bombs of her own.

Then, he added: "I have no doubt that having the material, the explosive material which we make in Canada, our ordnance people could make a bomb of their own."

Medical Students Refused Entry

VANCOUVER, June 14 (CP).—Two more Canadian universities have refused admission to British Columbia students seeking entry into their medical schools. This means that only 16 of more than 100 applicants will be able to enter a Canadian medical school next September.

The refusals came in letters from the University of Alberta and Dalhousie University in Nova Scotia. Both gave overcrowding as the reason for the refusal.

Earlier, the University of Manitoba had refused an applicant from the University of British Columbia saying that "because you come from British Columbia, the cards are stacked against you."

Striking Veterans Don't Get Benefits

Veterans on strike with the woodworkers do not qualify for Department of Veterans' Affairs out-of-work benefits, E. W. Thomas, regional Unemployment Insurance Commission officer, stated today in Vancouver.

He explained that applications made by veterans in a mass registration Wednesday will be investigated thoroughly to determine if they are on strike, or if they are out of work because of the strike.

New Ration Books Coming September

OTTAWA, June 14 (CP).—Continued rationing is Canada's "answer to a world crying for help," Prices Board Chairman Donald Gordon said tonight in announcing distribution of new ration books would be made by local ration boards between September 2 and September 16.

"As long as human beings in so many countries of the world are starving or near starvation, it is unthinkable that Canadians should refuse to do their share in helping out," Mr. Gordon's statement said.

Tune In for Your Omelets

YOU'VE heard, no doubt, alleged comedians lay eggs on the radio. But when you see a hen doing it, it is news. The hen shown here is the "guinea pig" in a fowl psychological experiment by Murray Weiss, Brooklyn, N.Y., scientific egg fancier. Murray has found that music hath the charms to make biddy give more generously. There's a hep chick perched on the receiver here after producing a nice specimen of the fruit. Advantage to the hen is that she doesn't have to cackle after the performance. The radio does it for her.

Chief McLellan Issues Warning to Drivers Who Are Breaking Double-Parking Law

CHIEF J. A. McLellan yesterday issued a warning to motorists and truck-drivers who are breaking the law by double parking.

"Double parking is not only a violation of the city by-law, but is a highly dangerous practice," said the chief. "It blocks traffic, obstructs the view, forces other cars over to the left side of the road into the path of oncoming traffic, and causes general inconvenience. It cannot be tolerated on city streets which are already congested with traffic.

"Drivers who 'hog' the road by double parking must expect to be prosecuted."

Good and Bad of Canada Expounded By Mr. Ehrenburg

TORONTO, June 14 (CP)—Ilya Ehrenburg, Russian journalist, tonight told a large audience at a meeting of the National Council for Canadian-Soviet friendship to be sure the friendship of the two countries is not obscured by a "smoke screen of slander."

"In two days in Canada I have seen the good and the bad—the good is your people, and the bad are your newspaper articles," he said.

"There are papers who daily frighten their readers with the bogey man of Russia," Ehrenburg said. Canadians only knew Russia through their newspapers. In this sphere "the slander against Russia is unlimited."

"When your papers wrote that Soviet tanks were advancing on Tehran, Soviet factories that formerly produced tanks were producing baby carriages."

Speaking of Russian losses in the war, he declared: "We won the war because we hated war. We put the master race on their knees because every Soviet youngster knows all peoples are equal.

"We fought not against people but against Fascism," Mr. Ehrenburg said, but added there are still Fascists about, "those who now dream of a crusade against Russia."

He told of seeing Canadians in action in both great wars, when they stood "in the most dangerous zone."

"Now they are trying to place the Canadians in the front line in the war of words against the Soviet Union. I believe this is a dangerous but not very honored position."

W.P.T.B. Charge Brings $35 Fine

Mrs. Rose Muir, 304 Chester Avenue, was fined $35 and $2.50 costs by Magistrate Henry C. Hall in city police court yesterday morning when she pleaded guilty to a charge of collecting rents for two apartments at 821 Princess Street in excess of the amount laid down by the rentals committee of the Wartime Prices and Trade Board.

She was given a suspended sentence and charged $2.50 costs on a second charge of increasing the accommodation in one apartment without first obtaining permission.

Mark Parfitt, 1312 Vining Street, was fined $35 when he pleaded guilty to a charge of dangerous driving. Constable Norman Galbraith said the charge was laid as a result of an accident at Pandora and Fernwood, June 11. Accused said he had not seen a stop sign, and that was the cause of the accident.

James A. Pittendrigh was remanded on cash bail of $50 until Monday on a charge of assaulting John Louie and occasioning actual bodily harm.

Capt. Harry Bapty Homeward Bound

Capt. Harry Bapty, of Victoria, is on his way home to see a two-and-a-half-year-old son who was just three days old when he went overseas in November, 1943. Capt. Bapty, elder son of Lt.-Col. Walter Bapty, was among arrivals this week from overseas on board the liner Aquitania, and is expected to reach Vancouver today.

His wife, who is living on Salt Spring Island, left yesterday to meet the train.

Formerly a mining engineer at Copper Mountain, Capt. Bapty enlisted in the Ordnance Corps three and a half years ago, was commissioned at Brockville, and later transferred to Royal Canadian Electrical and Mechanical Engineers on the formation of that corps.

He crossed the English Channel shortly after "D"-Day and saw service in France and Belgium. On his return to Victoria he will be welcomed by his mother and brother, Dr. Leonard Bapty, who was severely wounded while serving with the Medical Corps in North Africa. His father, Col. Bapty, who commanded 2nd Bn., The Canadian Scottish Regiment until early in 1942 is at present in Toronto.

NORTH COWICHAN HALL

DUNCAN, June 14.—Plans for a North Cowichan municipal hall drawn by Douglas James, Victoria, were approved by the council. Reeve D. D. Chapman noted there was a fund of $10,000 on hand for the building.

Pritchett Sounds Note of Hope For Strike Ending After Sunday

Stating that yesterday's mass trek of striking International Woodworkers of America and their supporters was an "expression by 60 per cent of the payroll of British Columbia of their intense desire to put into the [illegible] many died for," Harold Pritchett, district president of the I.W.A., last night reviewed developments in the 30-day-old strike before a capacity audience in the main drill hall of the Macaulay army camp.

"We have demonstrated to the Provincial and Federal Governments and to the 'boss loggers' the desire that the postwar period hold for us jobs at decent wages and, above all, union security," he declared.

Mr. Pritchett stated: "We have stood solid for 30 days and we will stand solid for 30 days more." But he sounded a note of hope for an early settlement when he said a meeting had been called in Vancouver on Sunday at which union officials would "examine offers and counter-offers, and when we think we have got enough we'll come out with recommendations."

Garry Culhane, secretary of the British Columbia Federation of Shipyard Workers, brought greetings from his group and promised their full and continued support.

Karly Larsen, international vice-Singh, recording secretary, Local 1-118, Victoria; Mrs. Mitchell, of the newly formed Citizens' Committee, and a representative of the foundry workers of Vancouver, who are also out on strike, were other speakers.

Plate Glass Pane Broken at Night

A five-by-six-foot plate glass window was smashed Thursday night at Mercer's Grocery, 1004½ Russell Street, in an apparent attempt to steal watermelons on display, city police said yesterday.

G. Tompkins, 1004 Russell Street, said he heard the sound of breaking glass and saw three or four 'teen-aged youths fleeing down the street.

Police found a stick stuck into one of the melons.

Radio Speeches Will Aid Drive

In connection with the National Clothing Drive which will continue throughout Canada from June 17 to 29, a number of prominent speakers will be heard over Radio Station CJVI.

Commencing this program will be Brig. W. G. K. Colquhoun, regional chairman, who will broadcast today at 12:45 p.m.

Tomorrow Rt. Rev. Harold E. Sexton, Bishop of British Columbia, will be heard at 12:45 p.m. and Most Rev. John C. Cody, Bishop of Victoria, at 12:50 p.m. Hon. E. T. Kenny, who heads the drive for this province, will speak at 2:30 p.m. tomorrow.

At 10:10 p.m., Mayor Percy E. George will make his official proclamation endorsing the drive and calling upon all citizens of Greater Victoria to give it their wholehearted support.

Dates for the clothing collection here are Saturday, June 22, in Victoria and Esquimalt, and Sunday, June 23, in Oak Bay and Saanich. Trucks will make a house-to-house canvass for donations.

I.W.A. Will Bear Camp Expenses

INTERNATIONAL Woodworkers of America will bear all expenses and liability for all damages in connection with the use of Macaulay Camp by the mass lobby of striking lumber industry workers who arrived in Victoria yesterday, Mayor Percy E. George announced.

The arrangement was concluded with Harold Pritchett, district president of the I.W.A. and other members of the union, the mayor stated.

Assault on Neighbor Brings Fine for Man

"It is high time that people of high respectability should behave like everyone else and get off another man's property when told to do so," City Prosecutor Claude L. Harrison declared yesterday in urging a substantial penalty for an elderly man convicted of assaulting his neighbor.

The man was fined $10 or three days in jail.

Evidence showed the dispute between the two neighbors arose over the fact that the accused had allegedly failed to keep caterpillars on his property under control. The accused became incensed when city officials were notified and accused his neighbor of persecution.

DUE AT DUNCAN MONDAY

DUNCAN, June 14.—C. Gordon Cockshutt, Montreal, president of the Canadian Chamber of Commerce, will be entertained here on Monday by Duncan Chamber of Commerce. Mr. Cockshutt will be accompanied by D. L. Morrell, executive secretary of the organization.

New Leader of German People Says Work Country's One Hope

In Cardinal Frings, a new leader has emerged in Germany. The following is the first interview he has accorded a British journalist since his elevation by the College of Cardinals.

COLOGNE, June 14 (Reuters)—The man to whom 30,000,000 people of a defeated Germany now turn for guidance declared today that only through work would the country have any hope of taking her place as a nation in a peaceful world.

Said Joseph Cardinal Frings, Archbishop of Cologne and head of the Roman Catholic Church in Germany:

"Men discharged from the services must work; German refugees from the East must work or they will become a source of unrest. Young boys growing up must work."

In an interview in his Cologne villa he set forth his views on the recovery of Germany.

Germany must be allowed industries of her own again if Germans are to find useful employment, he said.

He said he is troubled by the sight of hundreds of men and boys idle in groups on the street corners of every large town in the Ruhr.

He believes that despite shortages of materials, these men can be employed and that political motives are responsible for at least some of the factories being idle.

Neely Again Head Of Tourist Body

J. E. Neely was re-elected chairman of the tourist trade group of the Victoria Chamber of Commerce at the annual meeting held yesterday in the Chamber of Commerce office. O. B. Taylor was elected vice-chairman, succeeding William Clark.

Words of praise were forthcoming for Capt. Norman Foster, director of the Victoria Girls' Drill Band which recently participated in the Portland Rose Festival. "They put on a splendid show," said Chairman Neely.

Map Five-Year Area Program For School Building Projects

A five-year program for eight school building projects is being mapped out by the Greater Victoria School Board, it was announced by the municipal inspector of schools yesterday.

A building committee, working with architects, is now drawing up specifications and plans for the projects which include:

1. Remodeling of Central Junior High School. This will involve demolishing the west building and making extensive additions and alterations to the present east building.

2. A new Junior High School for Oak Bay, and one each to serve the northwestern and northeastern sections of the Greater Victoria area.

3. Additions to Victoria High School including technical and vocational training shops and a new gymnasium.

4. Home economics and industrial arts accommodation at Esquimalt High School.

5. A new primary school in the James Bay district.

6. Several additions to elementary schools in Saanich including Strawberry Vale and McKenzie Schools.

Emphasis is being placed on construction of junior high schools to draw pupils from both elementary and high schools and to bring Victoria into line with the educational policy adopted in the remainder of the province.

School Board officials hope to have a money by-law covering the school expenditures presented to ratepayers this year.

Before the by-law can be prepared, however, the building program must be approved by the Provincial Department of Education which bears 50 per cent of the cost.

Graduating Teachers Assured of Posts

More than 30 of the 83 teachers due to graduate from Victoria Normal School this month have already been placed, and the remainder should be placed before the end of the month, H. O. English, principal, said yesterday.

"They are going like hotcakes," he commented.

Calibre of the students was extremely high, particularly among ex-service personnel, and no students were compelled to drop out this year, the principal said.

Denis Pratt, L. A. Bates Share Oak Bay Honors

Denis H. Pratt and Lawrence A. Bates shared top honors at Oak Bay High School closing exercises yesterday, the former receiving the Capt. F. G. Dexter Memorial Bursary of $50 and the latter the Acland Cup for good sportsmanship.

Denis Pratt, leading pupil in Grade XII, shared the Merit Cup for good citizenship with Lawrence Bates; House cup for highest standing went to House 4.

Col. F. T. Fairey, deputy minister of education and superintendent of education, presented the prizes and awards, with the exception of the Memorial Bursary, presented by Mrs. F. G. Dexter. Col. Fairey told the students that the comradeships they had built up were one of the most important values of their school life.

D. H. Hartness, principal, gave high praise to the spirit of co-operation in the school. The Valedictory, given by Douglas R. Main, president of the Students' Council, was a feature of the program for the afternoon; the school choir directed by S. E. Bower, gave two groups of selections.

Col. Fairey also went to Victoria High School yesterday to present to David Stock the Leader Cup. He is the son of Mr. and Mrs. P. A. Stock, 3143 Cedar Hill Road, and has been president of the students' representative council during the past year.

Leading pupils at Oak Bay were: Grade XII, Denis H. Pratt, Grade XI, Shirley Anderson. Grade X, Ann Henderson; Grade IX, Muriel Trimble.

Prefect awards were given L. A. Bates, A. R. Clayton, D. R. Main, D. H. Pratt, Jean Markland, May Smith, Evelyn Tiers, and Sheila Whittemore.

Special award pins were won by Gloria Davies, Elizabeth Foote, Joan Hutchison, and Edward Estlin.

Librarian's awards went to Joyce Fobigg, Betty Milloy and Betty Cetch.

The cafeteria prefect is Maria Blake; head of Grade XII class, Denis Pratt; of Grade XI, Shirley Anderson; of Grade X, Ann Henderson; of Grade IX, Muriel Trimble and Betty Jamieson; of the art class, Roddy Lea and Maureen Palmore.

B.C. Names Milk Czar

Appointment of E. C. Carr, of Saskatchewan, as chairman of British Columbia's newly constituted Milk Board, was announced yesterday by Hon. Frank Putnam, Minister of Agriculture. Mr. Carr at present is milk controller for Saskatchewan.

His control of milk will start when Federal control of prices in this province ends June 30.

Provision for appointment of a milk czar for British Columbia was made at the last session of the Legislature by way of an amendment to the Public Utilities Act which retained milk in the utility classification but took it out of the control of the Public Utilities Commission.

Recruiting Office Opened by R.C.A.F.

A full-scale recruiting effort for the air force is now under way, according to Flt. Lt. D. J. Patterson, recruiting officer for this district.

Offices are being opened at 411 Postoffice Building and starting Monday will be open from 9 to 5.

According to Flt. Lt. Patterson, recruits are needed for all ground trades. They should be between the ages of 18 and 25. Ex-servicemen are preferred.

City Hall Briefs

Next meeting of the City Council will be held Friday, instead of Monday, June 24, because of the large number of aldermen who will be out of the city on the latter date, Mayor George announced yesterday.

Local 1-118 of the I.W.A. has written to the City Council asking to appear at the next meeting of the council to make an appeal for financial aid.

R. F. Blandy, municipal clerk of Oak Bay, has advised the city that Oak Bay council has given first reading to a transportation by-law setting up a five-man transportation board.

Nearly 300 delegates to the Federation of Mayors and Municipalities will be visiting Victoria, June 25, Mayor George said yesterday.

The city building department has issued permits to Joseph Heaney Ltd. for erection of a sign at 521 Bastion Street, to cost $1,000; to J. H. Todd & Sons for a sign at 1306 Wharf Street, $1,000; and to L. A. McCauley for construction of a duplex at 2602-4 Graham Street, $6,500.

TO RETAIN PUBLIC DOCK

POST ALBERNI, June 14.—Jack Gibson, M.P. for Comox-Alberni, gave the city council reasonable assurance that the Government Assembly Wharf here will not fall into private hands. He intends to forward a city brief on the matter to the Department of Transport, Ottawa.

Barbers Set Precedent On Wednesday

Barbers in Victoria will set a precedent next Wednesday by being the first group of tradesmen to close up shop one full day a week under the amendment to the Shops Regulation and Weekly Half-Holiday Act passed at the last session of the Legislature.

R. S. Williams, president of the Vancouver Island Meat Retailers' Association, said city butchers will soon apply to the City Council for a special by-law to enforce the full-day holiday on Wednesday. The necessary signatures of three-quarters of the dealers has already been obtained.

Boot and shoe retailers are reported to have been considering similar action, but no definite decision has been reached. Dealers in men's clothing indicated that, for the present, they will carry on with the present scheme of enforcing the Wednesday holiday by a "gentlemen's agreement."

Yesterday at the annual meeting of the tourist trade group of the Chamber of Commerce, it was decided to select a committee to meet the barbers and discuss the matter.

Some of the delegates felt that it was very bad for the tourist industry to have stores closing for an entire day.

Arctic Strategic Ocean Gen. Foster Tells Club

"The Arctic Sea is the strategic ocean of the world. It is the hub of world power, being the corridor, as it were, between North America and Asia."

Addressing the Canadian Club at its annual meeting in the Empress Hotel last night, Major-General W. W. Foster, C.M.G., D.S., V.D., former co-ordinator of defence projects in the Northwest, spoke of the vastness of the heritage that is Canada's in the area bounded by Alaska, Coppermine, Vancouver and Edmonton.

"Canada moves north," said General Foster. "Here is an area of 2,000,000 square miles, twice the size of Norway, Sweden and the British Isles combined. Within this trough or corridor are all the facilities built up with so much sweat and money during the trying days of the war.

"There is the Alaska Highway, which was hacked and cut and gouged through the wilderness—where men cut around mountain sides, corduroyed and filled, slithered in mud, to complete a good all-weather road 1,600 miles long.

"Within this fabulously rich area there are now complete telephone, telegraph facilities; oil pipe lines; 86 big bridges, including the major one, 2,275 feet long, over the Peace River. The area contains one of the world's important air routes. All these facilities are opening up the north country at a tremendous rate."

General Foster said that the aftermath of the war is apprehension. "But the difficulties of today should be approached with the same courage and the same good will that enabled Canada and the United States to do such a magnificent job of work when the fate of the world teetered in the balance.

"Canadians don't appreciate the tremendous importance of their own country, particularly the north. We are small in numbers but great in influence. We should so use that influence as to make in every way for better international relations. We must always remember and do something about the vastness of the heritage that has been entrusted to our keeping."

General Foster was thanked for his address by Commissioner T. W. S. Parsons, Provincial Police.

Last year's slate of officers was returned to office for next year. They include: Honorary president, Col. the Hon. W. C. Woodward; president, Col. Eric Pepler; first vice-president, J. D. Munro; second vice-president, Forrest L. Shaw, secretary-treasurer, Frank J. Sehl, who has been secretary for 35 years. The executive committee is: Rev. George Biddle, John Cochrane, E. J. Staghall, T. P. Waters, R. W. Phipps, H. B. Howard, H. L. Webster and A. A. Blyth.

The Settled Way

The North American Continent has provided some useful lessons for the world in the relatively brief course of its development. There has not been a "border incident" between Canada and the United States for about a century and a quarter. Where lakes and rivers meshed with both countries, their running rights were shared. Where water flowed from one country to another, civil arbitration decided the level at which it should be maintained. In the smelter area of British Columbia, obnoxious fumes crossing the border from Canadian retorts were turned into fertilizers, and as such found a ready sale in the United States territory which had complained of the fumes.

On both sides of the border, there has been swift public irritation at anything that smacks of red tape. No Canadian, probably no American, thinks that we have yet reached the ultimate in frictionless living, but the beginning has been good. Americans have admired Canadians for their stable British customs and for their innate respect for the law. Canadians have admired Americans for their personal heartiness and go-ahead approach to living. A man could stand all day on the border and cry "war," and nothing would happen save that Canadians and Americans would gather jointly to laugh at him, in passing. War as a theory of human progression is dead as a doornail on the North American Continent. Our peace, such as it is, has been made and also lived.

Looking calmly at that, there does not appear to be anywhere in it a single piece of legerdemain or sleight of hand. It was, on the contrary, a slow and even growth between what President Franklin Roosevelt called "good neighbors." It did not, and does not today, extend to political institutions, forms of national sovereignty or indeed racial habits. It does, and it long will, embrace a good deal of straightforward dealing and sound, reasoning sense. The facts could have been much different. They would have been if feuds had been nursed, grudges nourished, and hates planted and briskly cultivated. In a new world, both peoples were too busy to bother with that. The formula, while a homely one, works. It may be, and we think that it is, the most practical achievement of the new world—a settled way of peace based on mutual understanding and respect.

Canada's Opportunity

The people of Canada, as distinguished from any of their Governments, have a good name in the world. For more than 125 years, this nation has helped to preserve peace on this continent, coveted the inheritance of no other nation, and has when the occasion required played the part of a progressive, ablebodied country in the world comity of nations. The part of Canadians in the latest world conflict was a not inconsiderable one, and it was played with both courage and vigor. War, however, tears down the structure of civilization, leaving in its train many blank gaps. On much of the Continent of Europe the immediate task now is to feed and clothe the disinherited, those who saw their patrimony disappear in the conflict.

Canadians will wish to play their part disinterestedly in that. The opportunity to do so in so far as clothing is concerned is coming around again. The first national collection of serviceable used clothing in Canada developed into a significant success last year. The second drive, to be held across Canada between June 17 and June 29, is an extension of that, with a far better prepared organization behind it. This time Canadians are being asked to give as heartily as they did before, but to make sure that all of the clothing is truly serviceable and will be of benefit to the many who stand in real need of it. Frills and fripperies are not wanted; good warm clothing is.

The objective in the Greater Victoria area will be 100 tons of clothing for men, women and children, with plenty of wear and life left in it. Serviceable suits, warm overcoats and all that the public itself is accustomed to buying on its own behalf in the average Canadian Winter are just what will be appreciated by the distressed in war-torn areas, where adequate protection from the weather has become a need as acute as that of food itself. Here, then, is an appeal to the heart. It is one that Canada will want to measure up to with the best of grace, and beyond that with hearty good will. We do not doubt that the 100 tons of serviceable clothing will be found in this community. Never was there a greater need of it.

Veterans' Homes

There seems no good reason why houses now under construction in this area by the Veterans' Land Act administration should not be occupied almost as soon as they are at all habitable. In normal times it may be all right that State-built homes should be meticulously tidied up in the fashion dear to the official mind, but times are not normal. A critical housing shortage exists here. Are official administrators not yet aware of this fact, which shouts almost to high heaven every day?

A number of V.L.A. homes are practically completed. All that is missing is a few minor interior fixtures, such as kitchen cabinets and cupboard doors. These could easily be added after the veterans have moved in. Other people are moving every week into privately-built houses awaiting similar adjustments. It is strange that the veteran should have to stand outside. To hold up entry into V.L.A. homes because allocation of them is not made until the last nail or lick of paint has been put in place shows a lamentable lack of imagination on the part of governmental officials.

By pleasing contrast, the houses built here by Wartime Housing are occupied as soon as they are livable. The finishing touches come later. They are rental homes; the V.L.A. houses are for sale to veterans. This leads to another factor that keeps veterans from the homes they are prepared to acquire. Because the latter are not completed it is claimed that no sale price can be determined. This condition obtains right across the country, and it is ridiculous.

It should not be too difficult in large-scale housing schemes like this to at least fix a tentative price close enough to permit conclusion of the deal with a prospective veteran owner. Financial adjustments could easily follow possession. To admit otherwise is to place another high premium on red tape, which at present is obstructing far too many housing plans.

Neither the lack of cupboard doors or inability to make final financial arrangements with the veterans should be allowed to prevent them from securing the houses they need so badly. Understandably, the veterans are becoming impatient. So, too, is the general public. Action is required, and it should be forthcoming from Veterans' Land Act administrators without further delay.

Milking Music

Music hath charms, it is said, to soothe the savage breast. Cows are not savage, although farmers aver their animals heave with indignation on occasion, as for example when daylight saving is introduced. It seems, however, they are equally susceptible to the saving grace of soothing, well-modulated music. Word comes from Australia that a farmer has installed an amplifier in his milking sheds, with beneficial results.

The cows accept it as part of the routine of milking, the Australian farmer reports, and now act as though something is missing when the loud speaker is not in operation. Like humans, they have their musical tastes. When classical or sweet music comes on they stand steady and contented, and the milk flows freely. Modern swing music apparently upsets their digestion. They grow discontented, look about in an agonized way and the milk nearly stops. Apart from this they show admirable impartiality. They listen to most music with the same rapt attention, chewing their cuds in peaceful contemplation.

They even like the news broadcasts, says the farmer, which surely places Bessie in the front rank of animal intelligence. Saanich farmers should take note of this important experiment. Apparently all they need do to assure harmony in the cowshed is to hitch a loud speaker to the house radio—and give the cows music and news on the hour.

Fishermen's Wharf

The obvious lack of adequate docking facilities for fishing vessels in Victoria Harbor scarcely needs mentioning. It has been patent for some years. Cold storage facilities at the port are excellent. By geography, this port is closer to the fishing grounds and to disposal markets than many other points on the Canadian side. But fishing fleets must have berths and safe anchorage, and that part of it has been neglected sadly in the past. While the fishermen's wharf is only a small part of this port's genuine needs for the future, it is an easily demonstratable one. The case shows its arguments openly on its face, and does not require other proof. It is part of the Dominion's obligation to put Canadian ports in shape to handle business, and the real neglect has been there. Only action can cure that. Fishing fleets will never tie up at a blueprint. What they now seek, and should have, is a wharf, with adequate handling facilities for their catches.

From "Address to the Unco Guid"

O ye, wha are sae guid yoursel,
Sae pious and sae holy,
Ye've nought to do but mark and tell
Your neebours' fauts and folly:
Whase life is like a weel-gaun mill,
Supplied wi' store o' water;
The heapet happer's ebbing still,
An' still the clap plays clatter.' . . .

Then gently scan your brother man,
Still gentler sister woman;
Tho' they may gang a kennin wrang,
To step aside is human:
One point must still be greatly dark,
The moving why they do it;
And just as lamely can ye mark
How far perhaps they rue it.

Who made the heart, 'tis He alone
Decidedly can try us;
He knows each chord, its various tone,
Each spring, its various bias:
Then at the balance let's be mute,
We never can adjust it;
What's done we partly may compute,
But know not what's resisted.

Industrial Area

Frank M. Kelley

For 12 months of every year it is easy to appreciate that Southern Vancouver Island possesses, topographically and climatically advantages that can hardly be excelled anywhere else in Canada. Accordingly, it has a direct appeal as an area of residence for retired folk as well as providing some attractions, in a different sort of a way, for the

Both the retired folk, because they have funds in the bank, and the transient with vacation money to get rid of, are ever welcome; but these can hardly ever be sufficient in numbers to keep a community solvent and at the same time provide the wherewithal to maintain the standard of civic advancement both resident and tripper look for and expect. Under the best of circumstances, city officials will tell you this is a difficult thing to achieve, particularly if a community has ambitions and desires to expand accordingly.

The area comprising what has been occasionally referred to as the southern Vancouver Island plain, covers a good many square miles, most of which is available for homes. There is very little difference in its topography, the same sun shines on the whole of it, the same winds blow across it, and there are many points of vantage from which visions of land and water can be obtained by all who likes to see either from a window every day or just once in a while from an easily-achieved elevation. In fact, any and every part is desirable.

OPPORTUNITIES PATENT

In spite of all this, it would be a great pity if patently favorable opportunities for launching industrial enterprises were entirely overlooked and the retired resident and tourist dollar catered to more or less exclusively. There is plenty of room hereabouts for a variety of industries which could take advantage of the section's sea-frontage and be in a preferred position for receipt of raw materials as well as for distributing manufactured articles.

For instance, take the area of Victoria which is evidently destined to become industrialized sooner or later, when its advantages become generally known to experienced industrialists desirous of establishing branch plants on the Pacific Coast in order to be in a position to cater capably to markets of the Pacific region.

Such industrial plants in operation in a certain zone would not likely keep tourists from overlooking "a little bit of England on the shores of the Pacific," or interfere with the full interpretation placed upon the meaning of leisure by the majority of citizens who have chosen Vancouver Island as a fitting-place for retirement. Both classes are well worth the effort expended to attract them to the Island; but something more substantial is needed to build a solid community and assure continuous employment to its young men and women.

A year or two before World War II began, there was talk in some quarters of a possible industrial area being established west of a line running from the Dallas Road, in the vicinity of Ogden Point, to the shore of the Inner Harbor, at or near Laurel Point. As considerable part of this area about the waterfront is already pretty well taken up for various projects which mean payrolls and purchasing power for workers, it does not require an extraordinary stretch of the imagination to vision the movement of other enterprises to land adjoining.

For anyone contemplating taking advantage of shipping facilities when normalcy returns once more to the world and trans-Pacific trade is re-established, it would be hard to conceive a more favorably situated spot than Victoria occupies. All the ships doing business in North Pacific waters pass within a few miles of its lighthouses. The greater percentage of these ships would call here with or for Canadian cargo if the facilities for handling such cargo in and out were available.

APPRECIATE SITUATION

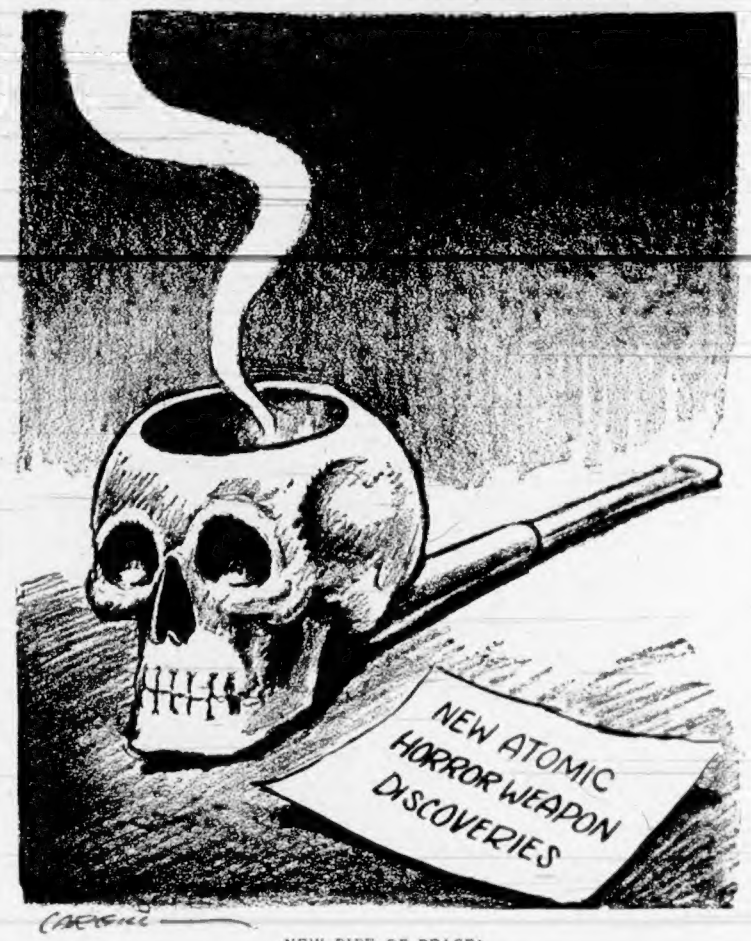

Some local businessmen apparently appreciate Victoria's strategic location for an industrial plant. This factor might well have influenced the decision of the group which will begin the manufacture of a line of commodities requiring considerable quantities of wool. As the bulk of this product will come by ship, the proximity of the plant to the piers and nearby trackage is a happy combination for both raw material handling and the shipping of the manufactured articles to various destinations.

The woolen mill site is in the talked-of industrial zone. Apropos of this zone, the writer remembers something of a plan in which some prominent Victorians were interested at one time. In fact, they seemed to be most enthusiastic about it. On paper, it showed the whole Dallas Road foreshore from Shoal Point to Ogden Point as a potential industrial section, with, of course, improved harbor, wharves and cargo handling facilities. That was in 1938. Wonder what has happened to that very fine conception of what Victoria, in part, requires to place the port in a position to get a share of Pacific traffic, which would be directed here if the people of Greater Victoria willed strongly enough for it.

SIDNEY INCORPORATION

SIDNEY, June 14.—Advantages of incorporating Sidney as a village municipality were outlined by B. C. Bracewell, deputy minister of municipal affairs, during a public meeting called by Sidney Businessmen's Association. G. Baal and T. McIntosh were asked to form a committee to investigate the move. F. C. E. Ford presided.

NEW PIPE OF PEACE?

Says Mihailovic Never Worked With Nazis

By GAULT MacGOWAN
North American Newspaper Alliance

HAMBURG, June 14 (By Wireless.)—"Draja Mihailovic never negotiated with us and no German officer ever saw him to discuss collaboration," Gerhard Emskotter, former German war correspondent in Yugoslavia, told me in an interview here today.

"I attended many secret staff conferences on the subject of Mihailovic during the time I was in the Balkans, and am definitely able to state, both from personal knowledge and from various intelligence reports I saw, that Mihailovic is unjustly accused of being a traitor. It was, indeed, popularly believed in the German Army that Tito was at first our tool and that he was enabled to return from exile in Switzerland to Yugoslavia through the connivance of the Balkan division of the German Foreign Office.

"We were fighting Royalists and Serbian Dynasts. As Mihailovic was their leader, our political experts thought it clever to back anti-monarchial elements in a move similar to the Ludendorff strategy employed in 1917 when Bolshevik revolutionaries were secretly protected for the purpose of overthrowing and defeating the Czarist Empire."

German Foreign Minister Von Ribbentrop had a major interest in promoting political rivalry in Yugoslavia because of Italian pretentions in the Balkans which he desired to upset. Mussolini wanted to place the Duke of Spoleto on the Croatian throne. Italian influence was getting so strong and Mussolini's Croatian proteges and their Ustachi guards were so anti-Nazi that secret support was given to the Communists.

This was done to restore the balance of power and popularity of the Nazis against the Italian Fascists and Expansionists and postpone the coronation of the Duke of Spoleto on the grounds of "political insecurity."

"Later, of course, Tito and his Partisans, with Russian and Allied support, became too strong for us when weapons were dropped to them after the Yalta Conference when the "Big Three," at Stalin's suggestion, switched their support from Mihailovic to Tito.

"Then German policy was changed to try to make deals with the Royalists, who by then were the weaker side. But though we made many efforts to contact Mihailovic, we were never able to do so.

"The most we succeeded in doing was to make local arrangements with some Chetnik leaders for safe conduct of our convoys in return for protecting their villages against the new insurgent Tito men. The latter were determined to exterminate royalism and create a Federal Soviet Republic.

"But these arrangements were made without authority of Mihailovic because, owing to the civil war in the country and our occupation, he could not maintain communication with all his scattered bands. It was Indian warfare in those mountains and the Croatian Partisans had no love for the Serbians.

"When we occupied Serbian villages, sometimes the local Chetnik units fought with our mountain troops in defence of their homes against raids by Tito Partisans. I myself was present at one of these actions in the mountains of Lyca Gara.

"It was certainly a paradoxical situation but Balkan politics are like that. We hoped Mihailovic would have found it wise to work with us at the end but we could not reach him and he would not speak with our envoys, as the British and American officers who were with him could probably testify."

A DISCLAIMER

Sir,—A report of a meeting of a delegation from the Ministerial Association with the parks board committee came out in your paper a short time ago regarding Sunday sports. In my view it misrepresented the actual position that the delegation took and has resulted in a good deal of mean criticism of the men who comprised that delegation.

I was one of the number, and I want to state quite frankly that I did not condone Sunday sports nor did any of the men of the delegation. Some misconstruction was placed on what was intended.

I want, therefore, personally to inform the readers of this letter that I could never condone the practice. I am definitely not in favor of games on Sunday in our parks and school grounds.

STRIKES NO ANSWER

Sir,—Strikes are not the answer to labor's troubles, for any great resultant increases in pay increase prices of commodities, working a hardship on the unemployed or poorer paid workers, which, combined with the shortages and discomforts created by the strike, weaken labor's cause with the public in general.

No matter how sincerely some may hope for such a consummation, or how glibly silver-tongued orators would try and persuade the people, it is not humanly possible for capital and labor to see eye to eye, as their viewpoints and aims are diametrically opposed.

The fact of the matter is we are rapidly coming to a parting of the ways and the old system of life is nearly finished. It can only eventually be maintained for any length of time by means of drastic control. It is not a cheerful picture nor nice to contemplate, but no fundamental changes in the affairs of men have ever taken place without some sort of struggle; not because it was necessary, but because man always refuses to act intelligently and so is forced by nature, willy nilly, to make the change and it seems that once again, we are acting true to form.

We were never intended to live each man unto himself; each seeking his own selfish ends, but were meant to dwell and work together collectively for the general welfare of the whole. We have been taught the lesson repeatedly in various ways throughout the ages by means of floods, famines, earthquakes, wars and other catastrophies which forced co-operative effort in a common cause, yet, no sooner did the danger pass, than we drifted into the old order of things. In a progressive universe, this cannot go on indefinitely and it looks as if we are now rapidly approaching the final showdown.

Our world economy is contracting, because of air transport, etc., and we are becoming more and more interdependent, bringing us closer and closer together, teaching us even more the lesson we must learn, viz., that we must live and work together co-operatively and collectively as one great family, for of one flesh and blood were we all created.

The "Jumped" Land—It is said that the question of the right of Dr. Trimble and others to the land lying beyond Beckley Farm on the James Bay side of the harbor, will be argued within a few days before the Chief Justice. It is important that the matter should be decided before the Colony is handed over to the Dominion.

By G.B.

On June 1 there were 18,129,181 pounds of butter in storage or in transit throughout Canada, compared with 6,795,688 pounds on May 1. Stocks of cheese on June 1 totaled 31,534,705 pounds, against 21,211,777 pounds on May 1. In view of the above figures, the Wartime Price and Trade Board could immediately increase the butter ration and also explain why cheese is so scarce . . . The Dominion Bureau of Statistics, generally a year or more behind in its figures, announced this week that consumption of bread in Canada was 1,249,083,000 pounds in 1944, or 104.3 pounds per capita, compared with 105.4 pounds in 1943 . . . The United States leans heavily upon Canada for newsprint. Production in North America last month was 457,673 tons, of which Canada accounted for 359,943 tons, and the United States, only 97,730 tons . . . The Federal Government employs a staggering total of 147,073 persons, and their salaries last March were $19,949,486. In addition there are 105,000 Canadian National Railway employees, more than 1,000 serving Trans-Canada Airlines, nearly 1,000 working for the Canadian Broadcasting Corporation, and 1,200 engaged by the Bank of Canada . . . From The Financial Post: "Here is what Canadians should get from their Government: Maintenance of law and public order by taking adequate precautions in strike areas before trouble commences, enforcement of law regarding legal and illegal picketing, and quick and certain penalties for illegal strikes and deeds of lawlessness related thereto. Penalty, not profit, should be the consequence of lawbreaking" . . . Many a man is engrossed in the fascinating problem of what kind of an automobile he would buy if he had the money and if cars were available without priorities.

Province Transfers Settlement Lands

July 1 is the date fixed for the Provincial Government to transfer 1,000,000 acres of land east of Prince George to the Dominion Government for settlement by ex-servicemen. Announcement to that effect was made yesterday by Hon. E. T. Kenney, Minister of Lands, who will sign the agreement on behalf of the Government.

Several years ago the area was set aside for settlement by British Columbia veterans exclusively. In April last, however, legislation was passed to make the land available after June 30 for settlement by veterans from any part of the Dominion, and under terms of the new agreement this settlement will be handled by the Federal Government.

"Black Pearl" Music Pleases

Fate of the "Black Pearl" is only incidental to many amusing episodes and lovely musical moments in the Reginald Hincks' production presented last night at Victoria High School, in aid of the British Columbia Protestant Orphanage, before a crowded house.

Far more important to the audience was "I Want What I Want" (Victor Herbert) sung by Arthur Stringer; "Arcady" from "The Arcadian," sung by Grace Adams; the lively, well-harmonized choruses, "October Ale" from "Robin Hood," with Ralph McAdam doing a fine solo part; "Madrigal" from "The Mikado;" and the splendid finale, from "The Greek Slave."

And Alf Adams as the perfectly delightful (and ponderously coquettish) cook, with her butler-husband, Dick Reeve, added the right burlesque touch. It was eminently satisfying to see the cook and the butler satisfy a life-ambition and "mix with the nobs." They did it by the simple expedient of dressing up for a masquerade in the manor house: Reeve as a gigantic Rajah of Bhong, and Alf Adams as his glowing Ranee. The solo "Rajah of Bhong" was delightfully handled by the couple.

Allen in tempo and feeling to the whole plot was "Riff Song" and "Give a Man a Horse He Can Ride," but Arthur Stringer's superb tenor voice justified the inclusion of these selections. The male chorus was also excellent.

Humor was also supplied by the detective, Douglas Park, who mystified the company, and the audience. Throughout the play ran a thread of sentimental story with Catherine Craig and John Bray in the romantic leads. Norman Tyrrell, soloist in "The Man From Cook's," played the part of Tom Corker, troubled owner of the Black Pearl; Catherine Dennison was Mrs. Corker. Frank Tupman played a good role as the Earl of Battleaxe, father of Algy, the disfavored suitor, who had so many girl friends. Mickey Francis was amusing in the latter role.

The Black Pearl will be repeated tonight. Patrons are requested to change their tickets at Kent's Music Store to make seating easier.

MORE BIRTHS REGISTERED

PORT ALBERNI, June 14.—Vital statistics for May showed 30 births, seven deaths and 17 marriages, compared with 27 births, 11 deaths and nine marriages during April. In May, 1945, there were 19 births, eight deaths and three marriages.

FEW DWELLING PERMITS

DUNCAN, June 14.—As a direct result of the lumber strike, no building permits have been applied for this month. North Cowichan Municipality permits included H. J. Seyler, $1,000 house at Somenos; Mrs. Louise Fleming, $800 home at Quamichan, and S. Rafter, $1,000 dwelling at Chemainus.

Receives Degree

DR. ROBERT J. O'NEIL

Son of Mr. and Mrs. C. J. O'Neil, 1208 Faithful Street, was among those receiving the degree of Master of Public Health during the Spring commencement exercises at Columbia University, New York, on June 4. He has since been appointed senior dentist with the Dental Bureau of the New York State Department of Health. Having practised dentistry here since 1941, Dr. O'Neil left Victoria in September, 1945, and entered the Graduate School of Public Health at Columbia University. He resided in Victoria for 20 years, having attended George Jay School, Victoria High School and Victoria College. He graduated from the University of Oregon in 1941, and shortly after opened offices in the Campbell Building here. He was also associated with the British Columbia Department of Health and the Queen Alexandra Solarium. During 1945 Dr. O'Neil was an active member of Toastmasters' International and twice represented Victoria at meetings in Washington State. He is planning to organise a branch in Albany.

Mariners Warned About Gun Firing

Mariners were warned yesterday by the Department of National Defence, that firing will take place at Albert Head between June 16 and June 20, between the hours of 8 a.m. and 6 p.m.

Danger area will be the shoreward side of a line from Albert Head to a point 5,000 yards southeast of Race Rocks, including the passage between Race Rocks and Bentinck Island.

City and District

Seek Snow White—Mason Sands, 2460 Quadra Street, reported to city police yesterday that two sets of Snow White and the Seven Dwarves had been stolen from his lawn.

Date for Trial—Date for the trial of Charles Brown and George Paton on a charge of breaking and entering the plant of the Crystal Spring Soda Water Company Ltd., will be set in city police court Tuesday.

Attempted Entry—City police reported an attempt to break into the Club Sirocco, View Street, early yesterday morning. Constable A. Powell said a door on the west side of the building had been jimmied. The would-be burglar was apparently disturbed at his task.

Basement Fire—Home of J. D. Krailing, 3225 Shelbourne Street, was damaged to the extent of $50 in a basement fire yesterday afternoon, Saanich firemen reported. Boxes placed too close to a kitchen range in the basement were ignited and set fire to basement joist, it was stated.

Games Needed—W. H. Davies, chairman of the Sunshine Camp Committee, yesterday appealed to the citizens of Victoria for donations of indoor games—ping pong, darts, quoits, etc. He also wants baseballs, bats and any other sports equipment that could be used for outdoor purposes. Magazines and children's books are also asked. Donations may be left at 1008 Broad Street.

Y.M.C.A. Camps—Application forms for the Y.M.C.A. So-Ed Club camping period at Camp Thunderbird, Glinz Lake, are available now at the "Y" desk and must be handed in by June 24. Accommodation at the camp is limited to 60 persons. The camping period is June 29, 30 and July 1. Buses leave the Vancouver Island Coach Lines Depot at 2:30 and 6 p.m. on June 29 and returns to the city at 8 p.m. on July 1.

Must Stop "Rescue" Of Young Deer

A warning that so-called "rescues" of young deer, besides being illegal, may result in the death of the animal, was issued yesterday by Game Warden Jones.

Mothers of fawns which may appear to have been abandoned, are in most cases not far away, he said, and once their offspring are touched by human hands, they will have nothing more to do with them.

"Something will have to be done to curb the practice of bringing fawns to town," the game warden continued. "Even if it means prosecuting the offenders."

Definite evidence of the mother's death in the vicinity would alter these circumstances, he said, otherwise the fawns should be left strictly alone.

ENLARGE ISLAND HOTEL

CAMPBELL RIVER, June 14.—Twenty rooms have been added to the Willows Hotel, a local landmark. The beer parlor has been enlarged to accommodate 350 patrons, and a new dining-room, coffee bar and two sample rooms have been added. A steam-heating plant has been installed. The hotel wharf has been extended 50 feet. Hulme Real Estate & Insurance Co. will occupy a new office in the hotel building.

NEW PORT ALBERNI UNIT

PORT ALBERNI, June 14.—Alberni District Citizens' League will consist of two representatives from every public group in the district, it was decided during an organization meeting. Thomas Barnett, temporary chairman, pointed out the league was an impartial unit made up of Alberni district citizens to disseminate information on public matters and secure opinions from the city council.

FAIL TO RATIFY POST

DUNCAN, June 14.—The school board learned the Department of Education does not recognize the position of supervising principal of School District No. 65, to which trustees appointed R. M. Lendrum. E. A. Goddard, principal of Duncan high schools, may be asked to accept the subordinate position of vice-principal.

Weddings

DANIELSON—RICHARDS

The marriage of Joyce Sheila Olivia, elder daughter of Mr. and Mrs. Alfred H. Richards, 1059 Oliver Street to John Reinhold Danielson, son of Mrs. L. Danielson, Strasbourg, Saskatchewan, and the late Mr. O. Danielson, took place at a pretty ceremony performed last evening at Central Baptist Church by Rev. Dr. J. B. Rowell.

Miss Phyllis Hick presided at the organ and during the signing of the register Mrs. Albert Renfrew sang "A Wedding Prayer."

The lovely bride, attired in a white gown styled with satin bodice, sweetheart neck and lily-point sleeves and low waistline pointed over a bouffant skirt of double net over taffeta, was given away by her father. Her embroidered veil fell to her finger tips from a halo headdress of pleated organdy ornamented with lily of the valley. A double strand of pearls, the gift of the groom, and a round bouquet of red roses completed the bride's ensemble. There were two attendants, Miss Carol Richards, sister of the bride, who wore pink taffeta with pleated ruching outlining the sweetheart neck, and blue half-hat trimmed with velvet flowers and veiling, and Miss Anne Hinde as junior bridesmaid, in a bouffant blue taffeta frock with pink half-hat. They carried bouquets in pastel shades.

Mr. Kenneth Richards, brother of the bride, supported the bridegroom and the ushers were Mr. Edward Taylor, Mr. Frank Beaumont, Mr. Jack Cornock and Mr. Edward Hinde. Following the ceremony a reception was held at the Goblin Hall, Oak Bay, where Mr. John Black, Montreal, proposed the health of his niece. For a honeymoon to Strasbourg, to visit the groom's mother, stopping en route at Banff and Calgary, the bride traveled in a pink crepe dress with matching flower hat, blue topcoat trimmed with bleached fox, black plastic accessories and pink roses en corsage.

Mr. and Mrs. Danielson will reside at 1036 Richardson Street.

PARSONS—SIMMERS

A pretty wedding took place last evening at Oaklands Gospel Hall when Evelyn Mary, only daughter of Mr. and Mrs. H. M. Simmers, 1042 Summit Avenue, exchanged nuptial vows with George Christie Parsons, son of Mr. and Mrs. G. W. Parsons, 1058 St. Patrick Street. Mr. H. L. Hopkins performed the ceremony. Mr. G. A. Hearn presided at the organ and the soloist was Miss Dorothy Jealouse.

Given away by her father, the bride was charming in a gown of blush ivory satin fashioned with lace over-bodice, lily-point sleeves and sweetheart neckline, the full skirt sweeping behind to form a train. From a white flower headdress her veil of embroidered net cascaded to the train. A single strand of pearls, the groom's gift, and a shower bouquet of pink roses and swansonia completed the ensemble.

Miss Anne Parsons, sister of the groom, wearing a hyacinth blue taffeta frock with matching calot trimmed with apple blossoms and morning glory attended the bride. The flower girl was Miss Betty Sawyer in a pale pink taffeta dress and bandeau of fresh flowers in her hair. Both wore elbow-length mitts to match their dresses and carried Colonial bouquets of pink, blue and white flowers. The best man was Stanley Inrig and ushering were Mr. Clement Aitken and Mr. Ira Hill.

A reception for 100 guests was held following the ceremony in the Duke of Kent room at the Empress Hotel. The three-tiered cake centreing the supper table was cut by the couple. Mr. G. A. Hearn proposed the health of the bride.

For a honeymoon trip through Washington and Oregon, the bride traveled in a three-piece pastel blue suit with black straw hat and black accessories and gardenias en corsage.

Mr. and Mrs. Parsons will reside at Suite 9, 1147 Newport Avenue.

Spending a Month's Holiday Here

—Colonist Photo.

Princess Obolensky, whose home is now at Bow River Ranch, Cochrane, near Calgary, has arrived in Victoria for a month's visit with Mr. and Mrs. G. S. M. Warlaw at the Empress Hotel. This is the Princess' first visit to Victoria since coming to Canada several years ago.

For Brides-Elect

In honor of Miss Edna Watkiss, a June bride-elect, Mrs. L. De Costa and Miss Kay Rendle were joint hostesses Wednesday evening at a shower at the Wishbone. Red Cross to Hold Garden Party Today

The lovely grounds of the Royal Canadian Naval College, Royal Roads, will be open to the public from 1:30 till 6:30 for the third annual affair sponsored by the Belmont Unit of the Canadian Red Cross Society this afternoon.

Boating on the lagoon, conducted by crews of cadets, will be one of the most attractive features. There will be trips for children in the 30-foot Viking ship, and the cadets will man a 35-knot Kamikaze boat captured by H.M.C.S. Ontario at Manila.

A naval band will be in attendance. Tea will be served on the terrace overlooking the Strait of Juan de Fuca and the Olympic Mountains.

Miss Rosemary Hurst, Victoria's May Queen, will be the guest of honor and will have an escort of cadets to her throne of flowers. Buses will leave 736 Yates Street at 1, 1:30, 2 and 6:30.

Garden Party Postponed

W.A. Prince Edward Branch, Canadian Legion, garden party slated to be held June 20 at the home of Mrs. C. G. Carnegie, Island Highway, Langford, has been postponed, as Mrs. Carnegie is in hospital.

SOUTHEND, England (CP). — Because men's knees were too knobby, girls were chosen as Roman soldiers in a church pageant.

Nancy Kyle Bride Of Joseph Fox

At Metropolitan United Church Rev. Dr. A. E. Whitehouse solemnized the marriage last evening of Nancy, daughter of Mr. and Mrs. John Kyle, 242 Wildwood Avenue, to Joseph Henry Fox, only son of Mr. and Mrs. Edwin Francis Fox, 2747 Prior Street.

Mr. Edgar Holloway provided a musical background for the service. Escorted by her father, the bride was a charming picture in a gown of white faille taffeta with close-fitting bodice featuring a draped shoulder line, short sleeves and a net yoke accented with a true-lovers' knot in the centre front. The full-gored skirt was slightly en traine. Her veil of Brussels net, was held to her head by a coronet of real lace trimmed with clusters of ornamental flowers at the temples. She wore lace mitts and carried a shower bouquet of pink roses and swansonia centred with a mauve orchid.

Miss Betty McAdie and Miss Sylvia Petch were the attractive bridesmaids in orchid and soft jade green taffeta respectively fashioned in period style with sweetheart necklines. Their chic headdresses and mitts matched their gowns and they carried sheaths of Summer flowers in pastel shades. The bridegroom was assisted by Mr. Lawrence Irving, Seattle, and the ushers were Mr. James Harrison, Mr. Jack Kyle, brother of the bride, Mr. Gordon Holmes and Mr. Jack Gardiner. At the reception at the Kyle home, Mr. Bert Hebden proposed the toast to the bride. The refreshment table was centred with a three-tiered cake, flanked by vases of Summer flowers. Taking leave of their friends for a honeymoon trip by motor through the Okanagan district, the bride wore a mist-blue barathea wool suit trimmed in silver, gray hat, black accessories and mauve orchid pinned to her lapel. Mr. and Mrs. Fox will make their home at 1117 Faithful Street. The bride has been a valued member of the Victoria Symphony Orchestra since its inception.

London Market

LONDON, June 14 (Reuters).—Despite several spasms where prices tended to ease, both the day and the week saw the stock market closing firm. This is particularly applied to industrials. Individual leaders have been prominent, and such groups as breweries and tobaccos were also well supported. The gilt-edged market received good but unobtrusive support.

BONDS REPORTED STEADY

MONTREAL, June 14 (CP).—Bonds were steady to higher in trading today. A stronger tone was evident in Dominion of Canada issues. In the longer term Victories, the 3s of 59, 50, 62 and 66 all moved up a fraction. Provincials and Municipals were in good demand, but held at the previous final level.

Toronto Stocks

TORONTO, June 14 (CP).—Trading action in cheaper gold issues picked up smartly in the afternoon session of the Toronto Exchange today, and there was sufficient strength in higher-price golds to give the group a higher close. Base metal and industrial stocks closed on lighter volume. Western oils showed little net change. Aggregate turnover for the day was around 1,400,000 shares.

Dominion-Wide Campaign Is Under Way

Dominion-wide campaign of the Department of Veterans' Affairs to inform Canadians of the capabilities of disabled war veterans is now well under way in British Columbia, with picture displays and moving pictures being used. Speakers from the D.V.A. are also visiting various parts of the province.

During the latter half of June meetings are scheduled for all points on Vancouver Island.

S. H. Okell, D.V.A. assistant district administrator in Victoria, will address meetings at Sidney, Duncan and Ladysmith.

George Mahon supervisor of casuality rehabilitation for British Columbia will visit Nanaimo, Alberni, Comox, Courtenay and Cumberland from June 18 to June 22.

Harold Butteris, casualty rehabilitation officer for Vancouver Island will accompany the speakers at all points showing the specially prepared film "The Third Freedom."

Object of this educational campaign is to show the people of British Columbia that the war casualty, properly placed, is as productive as his comrade who emerged from the fighting unscathed. His tendency to overcompensate enables him to set the pace in many cases for his fellow workers in industry.

TORONTO, June 14 (CP)—The final report on operations of Abitibi Power & Paper Co., Ltd., issued by the receiver and manager for 1945 showed consolidated earnings by Abitibi and its subsidiaries of $10,364,874, compared with $9,714,398 in 1944.

John B. Priestley Heads Lions Club

John B. Priestley was elected president, and John S. Kendrick first vice-president, of the Victoria Lions Club at the annual meeting yesterday at the Empress Hotel.

Mr. Priestley, who headed the club committee which raised more than $4,000 for Janet, Victoria's "blue baby," succeeds Ernest Emery.

Other officers elected were: Harold McWilliams, second vice-president; Art Cann, secretary (re-elected); [illegible] treasurer; John C. Willcox, lion tamer, and Clarence Johns, tail twister.

Directors elected for a two-year term were: Leo E. Evenden and William (Bill) Tavener. Rev. George Biddle was re-elected padre of the club.

Jubilee Alumnae Honors 1949 Graduating Class

Royal Jubilee Hospital Alumnae entertained at the tea hour yesterday afternoon at the Nurses' Home in honor of the September, 1949, graduating class who received their caps. Miss Rae Kirkendale welcomed the guests, and spoke of the past work of the alumnae, and Miss L. Rutherford thanked the alumnae on behalf of the class.

The tea was convened by Mrs. M. Hoffmeister. Mrs. A. Carruthers poured, and assisting in serving were Mrs. J. McCaig, Mrs. E. J. Herbert and Mrs. J. S. Boorman.

Government House Ball Planned

A ball in honor of Their Excellencies the Governor-General and Viscountess Alexander is being planned by Lieutenant-Governor and Mrs. W. C. Woodward at Government House on July 18.

This will be the first debutante ball since before the war, and will formally introduce His Honor and Mrs. Woodward's younger daughter, Miss Mary Twigg, and a group of Victoria and Vancouver debutantes.

A series of dinners and pre-dance parties are being planned before the ball. Dancing will be in the ballroom, with supper in the state dining-room.

Your Daily Forecast

By EDWARD A. WAGNER

PLANETARY GUIDE FOR SATURDAY, JUNE 15, 1946

Keywords for the Day—Duty, analysis, sociability.

Saturday in General—Do not let negative emotions block accomplishment. Much can be done through steady application. Careful timing helps a lot. Be tactful with inhibited people. Snap them out of self-pity diplomatically.

If June 15 Is Your Birthdate: "Many Happy Returns." Famous persons born on this date include: John Guy Vassar, philanthropist; Ada I. Menken, actress; Johanna Gadski Tauscher, opera singer; Frances E. Elwell, sculptor.

Your Year Ahead—Be aware of the sound value of a steadying hand from elders. Keep clear of financial tangles with others. The social picture looks active and interesting. Count your blessings, not what's lacking.

Mart Kenney Plays To Large Crowd

The smooth rhythm and ever-popular music of Mart Kenney and his Western Gentlemen delighted over 800 people, when they danced to his orchestra last evening in the Crystal Ballroom of the Empress Hotel.

The younger crowd of Victoria turned out in force, and for them Mart Kenney played a good deal of "jive." His rendition of the smoother numbers was also enthusiastically received.

When asked his impression of Victoria, Mart Kenney said "I love it; after all it is part of British Columbia." He said that he had brought several new members of his orchestra here for the first time, and was disappointed that the weather hadn't turned out to be fine, as he had told them.

Mart Kenney and his Western Gentlemen come to Victoria once a year, and are sponsored by the Kinsmen Club. Proceeds go to help the many splendid causes in which the Kinsmen Club participate.

St. John Ambulance Brigade Activities

Officers and N.C.O.'s will meet June 19 at 8 at headquarters. As this will be the last meeting before September all officers are asked to attend.

Ask Investigation of Alleged Cruelties

At the monthly meeting of the executive of the Victoria branch of the Society for the Prevention of Cruelty to Animals, the president, Captain James Barr, reported that the society has been successful in obtaining a conviction in the local courts against a man for failing to provide food and shelter for two cats. It is the intention of the society to take action in all cases reported to it of people moving away and leaving cats behind, it was announced.

It was decided to request Dr. G. Clifford Carl to investigate alleged cruelties in the sealing industry when he makes his expedition to report on the sealing trade.

Services of a part-time inspector are to be obtained.

The inspector's report for May showed 76 inspections, 46 investigations, one conviction obtained, seven warnings issued, four cases of advice given, and 25 animals and birds humanely destroyed. The office showed 14 emergency cases attended to and homes found for 23 animals. The society's office is now located at Room 9, 1230 Government Street.

Island Town Active

CAMPBELL RIVER, June 14.—The Crystal Grill and Seaview Cafe have been opened here. Two stores with suites above, and a dentist's [illegible] will be completed by Autumn. The Bell & Vanstone store has been renovated. The Canadian Legion Branch plans to erect a new hall. Housing is at a premium since the Elk Falls Dam project brought a number of new residents to the district.

Detroit Moving Up In Loop Standings

Bengals Trim Senators, 6-2, and Take Over Third Spot—Red Sox Lose Second Straight

Last year's world series champions are in there pitching again. Detroit Tigers slugged 11 hits from three Washington pitchers last night, gaining a 6-2 American League victory over the Senators in Detroit's first twilight home game of the season. Detroit moved into third place on the strength of this fourth straight victory.

Stan Spence hit two home runs for the Senators and Eddie Lake slammed one for the Tigers.

Virgil Trucks scattered seven hits and struck out 10 men to hang up his third straight victory for the Tigers. The Tigers bunched three hits with a walk in the sixth to score three runs and chase Milt Haefner to his fifth defeat.

In the National League nighters, Claude Passeau hurled Chicago Cubs to a 5-1 victory over Brooklyn Dodgers. The righthander held the Brooks to five hits in his sixth triumph.

The victory put the Cubs within three games of the National League-leading Dodgers and sliced the latter's margin over second-place St. Louis to 1 1-2 games.

In Boston the Braves defeated Cincinnati Reds, 4-1, behind the five-hit pitching of Johnny Sain. Three runs in the third put the Braves well ahead and avenged a recent four-hit shutout by the Reds' Ewell Blackwell, who started for the Reds last night.

At St. Louis, Spud Chandler earned his 10th victory as New York Yankees collected 12 hits to defeat the Browns, 6-1, in an American League game marked by five errors.

Relief Hurler Luman Harris won his own game last night at Cleveland, stroking a single with the bases loaded in the 13th inning to enable Philadelphia Athletics to defeat the Indians, 5-3, in the opener of a four-game American League series. Chapman slammed a two-run homer for the "A's" in the sixth.

Chicago White Sox gave Boston Red Sox four runs in the first inning and then whipped them, 9-5, before 48,017 American League fans. It was the largest Chicago crowd since July 13, 1941.

Outpoints Taylor

TONY JANIRO

Clever Youngstown, Ohio, welterweight, still too young to fight more than eight rounds, last night put on one of the classiest boxing exhibitions seen in Madison Square Garden to outpoint Chuck Taylor, up-and-coming Pennsylvania fighter. The 19-year-old winner, chalking up his 49th victory in 52 starts, put on a brilliant display of footwork and counter punching to earn a unanimous verdict.

Assault After Money Record

NEW YORK, June 14 (CP).—Windfields shoots at the moon tomorrow—and 82 will get you plenty if he finds the range.

The chunky son of Bunty Lawless, whose promise of racing greatness was blighted by leg trouble in his juvenile year, steps out of allowance events for a shot at the mighty Assault, triple crown winner, and outstanding horse-of-the-year candidate.

The last time Windfields met Assault—in the Wood Memorial last April—the Canadian-bred finished last, practically out of sight as Assault opened his string of three-year-old triumphs which include the Kentucky Derby, Preakness, Belmont Stakes and Experimental Handicap.

Even though Windfields has taken his last three races here for Toronto owner E. P. Taylor, the dark brown colt still will be a write-your-own-ticket outsider against Robert Kleberg's Assault and five other starters in Saturday's $50,000-added Dwyer Stakes at Aqueduct Park.

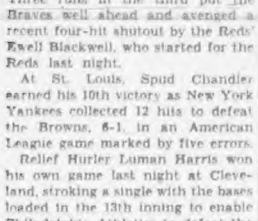

Meanwhile Assault, assigned top weight of 126 pounds, will take dead aim on an all-time money-winning record for three-year-olds. With $299,000 already won, Bold Venture's boy is only $9,000 back of Gallant Fox. Second place in the Dwyer, worth $10,000, would close the gap.

Johnson Buried

CHICAGO, June 14 (AP).—Jack Johnson, first negro to win the world heavyweight crown, was buried today near the grave of Bob Fitzsimmons, another former champion who lost by a knockout to Johnson in two rounds in 1907.

Johnson died last Monday in Raleigh, N.C., from injuries suffered in an automobile accident near Franklinton, N.C.

Prospects Better For Duck Hunting

NEW YORK, June 14 (AP).—Duck hunting, for which dismal 1946 prospects better than first anticipated, Ducks Unlimited, Inc., said today, pointing out that early June rains had improved nesting conditions in Western Canada.

The rainfall has replenished many sloughs and potholes in the waterfowl-producing areas of Alberta where millions of nesting birds and their young faced imminent death by drought, the international waterfowl restoration organization said.

Shea Pitches Oaks to Win

OAKLAND, Calif., June 14 (AP).—Oakland slugged Sacramento's pitcher, Al Smith, for a pair of doubles in the fourth inning and then repeated their performance in the eighth to defeat Sacramento, 4 to 1, here tonight in the Pacific Coast League.

Name Coulter Coach

TORONTO, June 14 (CP).—Bobby Coulter, one of the great backfielders in Canadian football history, will coach the University of Toronto's grid squad this Fall, Warren Stevens, Varsity's athletic director, announced today.

Stevens is relinquishing coaching duties because the school's huge athletic program is making increasing demands on his time.

BABE WORK

WALT RICHARDSON

GIVEN the co-operation of the weatherman, Victoria diamond fans will have an opportunity of watching two outstanding Washington nines in action. Bellingham Bells, claiming their strongest club in years, are billed to tangle with the Victoria All-Stars in a pair of baseball fixtures at Royal Athletic Park, starting at 2:30 and 8 p.m. A returned serviceman, Richardson, will hold down the shortstop job on the visiting club. He currently leads the Bells in home-run production and is reported to be a slugger of note. Perennial Babe Work will guard the initial sack for the Victorians. For the followers of the "big apple" variety of the diamond sport, two games are booked at Central Park today with a third tomorrow. Seattle Teamsters, undefeated leaders of the "AA" Fastball League will provide the opposition for the three Victoria senior clubs. They will meet Canadian Legion at 2:30 p.m. today in the first half of a twin bill, and tangle with Hicky-Brown at 6:30 p.m. Ciro's will take their turn tomorrow at 2 p.m. Top hurler in the Sound City camp and possessor of a no-hit, no-run game this season, Tackett will likely see action in two of the games.

Rich Golf Event Set August 1, 2, 3 At Toronto Club

TORONTO, June 14 (CP).—Earl Morris, tournament manager for the Canadian Professional Golf Association, announced today the annual $2,500 Millar Trophy championship at Toronto's Islington Club will be played August 1, 2, 3, a week later than the dates previously announced.

A 36-hole qualifying round is scheduled for the opening day, and the 16 low scorers will enter match play for the trophy in 18-hole rounds the second two days.

Two Vancouver professionals, Freddie Wood and Stan Leonard, are expected to compete.

Anglers Expect Big Year But Catches Still Small

Although the angling fraternity is confidently looking forward to a big year on their favorite fishing haunts, reports gleaned from Victoria sporting goods stores and Upland points show that to date few fish have been taken. Indications, however, point to better success in the near future.

Reports from Brentwood state some fishermen are bringing in a few good-sized salmon, but their success is far from general. Most anglers are fishing very deep, using up to 400 feet of wire line, and it is generally agreed that the best fishing has been encountered between Goldstream and the store house.

Stan Williams, of Wilson & Lenfesty, reports that Harry Spedding pulled in salmon weighing 35, 20 and 12 pounds on a recent expedition to Brentwood. Tom Dicks also had a good day, hooking seven salmon, four of which tipped the scales over the 20-pound mark.

On display in the window of Bernard's Sporting Goods is a 22½-pound spring salmon, hooked by Jim Coles in Saanich Arm earlier this week.

Harry Woolston, president of the Victoria-Saanich Inlet Anglers' Association, states that membership in the organization is likely to surpass last year's large enrolment with over 550 Victoria and district anglers having already sent in their dues. Five silver and six bronze buttons have been awarded to date.

Roger Monteith, one of the city's most ardent angling enthusiasts, states fresh water fishing has been disappointing this season due to excessive snowfall which caused high-water levels, but that conditions are improving as the water level drops.

Good trolling reports have been received from Cowichan Lake, particularly the north end. Dugan's Lake, near Cobble Hill, and Shawnigan have been fairly good for trolling, while good fly fishing has been encountered in the headwaters of the Cowichan River.

TROUT FISHING GOOD IN PORT ALBERNI AREA

Bass season is in full stride. Good catches were reported at Elk Lake by Dick Ley and Cecil Heaton, who brought in 11 small-mouthed bass.

At Port Alberni, where fishing reports have been anything but good, excellent results have been obtained recently at Sproat and Great Central Lakes. Five parties have brought back catches of from six to 25 trout.

One of the bigger catches by Fred White, well-known piscatorial expert, was made with a black gnat wet fly. Another party returned from Great Central Lake with a full creel using a gang troll with worm.

Some sockeye are now running in the Alberni Canal, but are only suitable for commercial fishing. Steelhead are being caught in the harbor.

Pitt Clayton, Alberni fishing authority, states tyees will start running at the harbor about the first part of July. Some are being taken now about 20 miles down the Alberni Canal. The big tyee is going for No. 8 and No. 7 wonder spoons.

Fishing at Qualicum Beach is said to be quite good at present. There is a small run of springs and bluebacks. Capt. J. S. Matterson reports fine results, including a 16-pound spring, taken on a Diamond No. 6 spoon. Air Commodore A. Hull also reports good sport with a plug. Only a very few trout are being taken in adjacent rivers and lakes.

At Campbell River there is little activity at present. The usual run of bluebacks, expected about June 1, has not arrived and boats are tied up at the wharfs. The same condition exists at Cowichan Bay, where only the odd catch is being reported. Conditions at both of these popular fishing centres are expected to improve in the near future.

Former Champions Differ on Result Of Heavyweight Championship Bout

James J. Braddock, left, former heavyweight champion who lost his title to Joe Louis, and Tommy Loughran, right, one-time world's light-heavyweight champion, furnish a few words of advice to Joe at his Pompton Lakes, N.J., training camp. Braddock and Loughran both believe that challenger Billy Conn will lift Louis' heavyweight crown at the Yankee Stadium, New York, June 19.

POMPTON LAKES, N.J., June 14 (AP).—Joe Louis, training for his meeting with Billy Conn Wednesday, snoozed placidly through a rainy day today, rousing to eat and inquire if the fish were biting.

The champion intends to box six rounds tomorrow, eight on Sunday and a final four-round string on Monday, with a few miles of road work each morning.

The feeling around Joe's camp was that he probably would take things easy from here on, risking no last-minute injuries to his hands or a cut face.

A hasty poll today of eight sports writers from a half-dozen cities brought eight votes for Louis to win by a knockout somewhere between the third and fifth rounds.

The Louis adherents were whispering around that Joe had expressed the private opinion he would stow Conn away inside four rounds. For publication, Joe remained non-committal.

Jeffries Says Louis Via K.O.

BURBANK, Cal., June 14 (AP).—Former heavyweight champion James J. Jeffries today picked Champion Joe Louis to beat Billy Conn next Wednesday night in their title fight.

"I always like a powerful hitter over a clever boxer," said Jeffries, "and I think Joe will stop Billy in much less time than the 13 rounds it took him in their last fight."

GREENWOOD LAKE, N.J., June 14 (AP).—Some of the fellows were saying the way Bill Conn has been training and throwing haymakers it looked as though he were figuring on going out there and flattening Joe Louis Wednesday night. Billy just grinned about it.

"Now wouldn't that be smart?" he asked. "The last time I had Joe beat for 12 rounds just on boxing, then I went out and slugged with him in the 13th and he put the lights out for me.

"Does it figure I'll be making the same mistake again? Nope.

But at the moment, Sweet William doesn't see how he can miss.

"I'm going to box him all the way," he outlined his strategy. "I'll box his ears off—and I'll be the champ."

That does not mean that Conn won't be willing to move right in on Joe and punch. He did that the last time without losing any limbs.

There is no doubt "Junior" is a stiffer swatter now than he was five years ago. The eight to ten pounds he's put on since then all have been added around the neck and shoulders, giving him more power.

Athletics Turn On Power in 13-1 Win

Pete Hughes Hitting Star as Victorians Trounce Loop Leaders—Blankenship on Hill

SALEM, June 14 (AP).—Pete Hughes and his Victoria teammates, handed seven straight losses by the league-leading Salem Senators, broke the Solon streak in no uncertain terms here tonight, winning a 13-1 decision. The loss dropped Salem into a virtual tie for first place with Wenatchee Chiefs, 6-3 victors over Vancouver tonight, although the locals do hold a .005 margin in the percentage column.

Hughes got a single in the first and a double in the third to figure in two-run splurges in each frame and climaxed the evening with a two-run homer in the eighth. In all, he drove in four runs.

Lee Fallin started for Salem but was wild and hit hard until relieved by Don Miles in the big Victoria seventh.

Joe Blankenship went the route for the Victorians and effectively scattered eight Salem hits.

LATE-INNING RALLIES GIVE WENATCHEE VICTORY

WENATCHEE, June 14 (AP).—A five-run spree paced by two home runs in the last two innings gave the Wenatchee Chiefs a 6 to 3 win over the Vancouver Capilanos and a 3-1 edge in their Western International League series here tonight.

After Vancouver had scored two runs in the fourth inning to take a one-run lead, Doug Williams and Dick Adams both homered to score three Wenatchee runs in the seventh. Williams doubled again in the eighth off relieving Pitcher-Manager Sylvester Johnson to drive in two more runs.

The win was Joe Vivalda's ninth against two losses this year.

Canadians Defeated In Davis Cup

MONTREAL, June 14 (CP).—Mexico pushed Canada to the Davis Cup sidelines today as the Vega brothers, Armando and Rolando, displayed superb teamwork to defeat Laird Watt and Brendan Macken in doubles play, 6-3, 6-4, 6-3. The Vegas also swept yesterday's opening singles matches without the loss of a set.

The Mexicans now will meet the winner of the United States-Philippines round at Orange, N.J., starting June 27.

Since the Mexicans have clinched the series against Canada it's expected that both teams will make some changes for the final two singles matches tomorrow. Canada intends to play Don McDiarmid against Armando Vega while Mexico is likely to use Pancho Guerrero against Henri Rochon.

The Mexicans appeared in difficulty at only one stage of the match today. The Canadians worked up a 3-1 lead in the first set before the Vegas caught the range. They reeled off five straight games then, breaking through Canada's service on two occasions.

As part of today's program, McDiarmid engaged Guerrero in an exhibition match which the Mexican won, 4-6, 6-3, 8-2.

Pontifical Requiem Mass will be sung by Most Rev. J. C. Cody, D.D., Monday, June 17, at 9 a.m. Interment in Ross Bay Cemetery. Hayward's B.C. Funeral Co., directors.

McCONNELL—At the Royal Jubilee Hospital on June 14, 1946, Ross Edward, infant son of Mr. and Mrs. Alfred E. McConnell, of 3180 Fifth Street.
Private funeral from Hayward's B.C. Funeral Chapel on Saturday. Interment in Royal Oak Burial Park.

PATTULLO—There passed away at St. Joseph's Hospital, on Thursday, June 13, 1946, Mary Ann Pattullo, aged 56 years, of 2632 Scott Street, Victoria, widow of James Alexander Pattullo, who was killed in action with the 50th Battalion in the Great War. The late Mrs. Pattullo was born in Arbroath, Scotland, and had been a resident of this city for the past 20 years, and a resident of Calgary, Alta., for 15 years prior to coming to this city. She is survived by one son, James Alexander, of 2677 Musgrave Street, Victoria; one daughter, Mrs. Dorothy Lanning, of 2632 Scott Street, Victoria, and three grandchildren, Christine and Joan Lanning, and Ian David Pattullo, all of Victoria.
Funeral services will be held in McCall Bros.' Floral Funeral Chapel on Saturday afternoon, June 15, at 3 o'clock. Rev. Percy Wills will officiate, after which cremation will take place in Royal Oak Crematorium.
(Calgary papers, please copy.)

ZACCARELLI—June 14, at St. Joseph's Hospital, Antonio Zaccarelli, aged 48 years; born in Wellington, B.C., and a resident of Victoria for 18 years, residing at San Sebastian Court. He is survived by his wife at home; a step-daughter, Miss Beverly Van Valkenburg, of Tacoma; three brothers, Louis, Rommy and Joseph Zaccarelli, of Wellington, and a cousin, Thomas Zaccarelli, of this city.
The remains will be forwarded to Nanaimo Saturday morning by the Sands Mortuary Ltd., and funeral services will be held there Monday afternoon at 4 o'clock in the Westwood Hurst Funeral Home.

— HUMPH! —
ANOTHER CLIENT came here yesterday and she TOO made her visit pay, and then like a whole flock of others, asked just WHICH one of the Humber Brothers wrote this stuff without any fears that she'd been reading all these years. Well it wasn't him, the salesman said, who tried to sell a sofa or bed, by wasting people's valuable time with such corny meter and scuffless rhyme. But he asked the lady who had them to hire, just what the stuff was like. "Well of endless themes he seems to find, so I've often changed my mind, but now I think he has a jovial pun, and is a roly-poly fat old man."

"HAVE U BIN STALLIN' waiting for just the rite Chesterfield Suite ... then come C this Big, Beautiful, Blue Lorraine model, which arrived this morning ... they had so many springs they put the rest of 'em in the arms ... we can put them all in your home for

BEAT THE LUMBER SHORTAGE

WHY WAIT FOR SIDING, SHINGLES or stucco to finish the outside of your house when you can get brick siding? Has the appearance of real brick but with insulation equal to 8 inches of solid brick. Comes in panels 12 ins. by 72 ins. and a full ½-inch thickness of specially treated insulation board. Won't swell or warp, impervious to rain, wind and sun. Easy to apply, no upkeep as it preserves its same appearance for a lifetime. Reduces fuel bills. This siding is fast becoming a popular finish as evidenced by the number of houses now being finished with it. We have to hand another new shipment and would advise you to order early.

GREENHOUSES
GOING CONCERN
Instructed by the owner, who is retiring from business, we are privileged to offer one of the best greenhouse propositions to be found in Saanich. About five acres excellent land with southern aspect, good soil and natural drainage. There are seven greenhouses, all in good condition, with an adequate hot water heating plant. The stock includes thousands of cyclamen and hydrangea plants, daffodil bulbs and other flowers. Everything necessary for running a prosperous business is here and the owner has no difficulty whatever in disposing of everything he grows. The bungalow-type home of six rooms is most attractive and has city water and electric light, beautiful hardwood floors, fireplace, cement basement, furnace, etc. Other buildings include large chicken house, cottage for help and garage. We have no hesitation in recommending this as one of the best paying propositions of its kind on the Island and one with wonderful possibilities of even further development. Please call at office for further particulars. No phone calls, please.
$23,000

AUTO CAMPS
We are offering two really good auto camps, each showing a steady income. One is listed at $20,000 and the other $12,000. Owing to other interests demanding his attention elsewhere, the owner of the $12,000 camp must sell immediately and will consider any fair offer. Further information at office.

THE CORPORATION OF THE CITY OF VICTORIA

No. 3177 —
A BY-LAW

To Provide for the Closing of Barber Shops for One Whole Day Each Week in the City of Victoria

WHEREAS by By-Law Number 2821 entitled "Barber Shops Closing By-Law, 1938," and by By-Law Number 3036 entitled "Barber Shops Closing By-Law, 1938, Amendment By-Law (No. 1), 1943," Barber Shops are required to close at twelve o'clock noon on Wednesday in each and every week in respect of which the provisions of the "Weekly Half-Holiday Act" and amendments thereto apply:

And whereas an application has been presented to the Municipal Council of the Corporation of the City of Victoria praying for the passing of a By-Law requiring the closing of all Barber Shops during the hours of eight-thirty o'clock in the morning to twelve o'clock noon on Wednesdays, and the Council is satisfied that the said application is signed by not less than three-quarters in number of the licensed occupiers of shops within the City under the municipal licenses issued in respect of those shops, and belonging to the class to which the said application relates:

And whereas under the provisions of the "Shops Regulation Act" the Municipal Council is required to pass a By-Law giving effect to the said application and requiring all such shops to be closed during the period of the year and at the times and hours mentioned in the said application:

Now therefore the Municipal Council of the Corporation of the City of Victoria, pursuant to the provisions of the "Shops Regulation and Weekly Half-Holiday Act," and amendments thereto, enacts as follows:

1. (a) The words "Barber Shops," where used in this By-Law, shall have the meaning as defined in the "Barbers' Act," R.S.B.C., Chapter 21.

(b) The word "closed" means not open for the serving of any customer.

2. Subject to the provisions in this By-Law contained, and the provisions of the "Shops Regulation and Weekly Half-Holiday Act" and the amendments thereto, and the "Statutory Holidays Powers Act," all Barber Shops within the City of Victoria shall be closed from the hour of eight-thirty o'clock in the morning until the hour of twelve o'clock noon on each and every Wednesday in each and every week throughout each year, and no such business shall be carried on thereat during such closed periods.

3. Every person who commits a breach of any provisions of the "Shops Regulations Act" and amendments thereto, or the "Statutory Holidays Powers Act," or of this By-Law, shall be liable, on summary conviction, to a fine or penalty not exceeding One Hundred Dollars ($100.00), and costs, recoverable and enforceable in the manner provided by the "Summary Convictions Act."

4. This By-Law shall take effect on the 18th day of June, 1946, and shall be published in The Victoria Daily Colonist and The Victoria Daily Times on the 15th day of June, 1946.

5. This By-Law may be cited as the "Barber Shops Early Closing By-Law, 1946."

Passed by the Municipal Council the 27th day of May, A.D. 1946.

Reconsidered, adopted and finally passed by the Municipal Council the 11th day of June, A.D. 1946.

Winnipeg Races Will Open Today

WINNIPEG, June 14 (CP).—A near record of more than 450 thoroughbreds will be on hand for the 14-day racing meet which gets under way here tomorrow at Polo Park's three-quarter-mile track. Purses totalling $86,900 will be shared by the winners over the 14-day period.

The biggest "money race" of the meet will be the 17th running of the $5,000-added Canadian Derby, taking place July 1. Owners will also be prepping their horses for the $2,500 added Polo Park Handicap June 29 and the $1,200-added Western Canada Handicap June 22.

Koraway, star runner of Frank Kilroy's Winnipeg Stables, has been given top impost of 120 pounds for the opening-day feature race — the $1,000 President's Handicap.

Women Doctors Elect Officers

BANFF, Alta., June 14 (CP). — Dr. Margaret Owen of Winnipeg was elected president of the Federation of Medical Women of Canada, at a meeting of the organization here today.

The meeting, held in conjunction with the 77th annual conference of the Canadian Medical Association, also named Dr. Ellen Douglas, Winnipeg, as honorary president; Dr. Mary Eddis, Toronto, secretary; and Dr. Agnes Moffat, Peterborough, Ont., treasurer.

Elected as new provincial vice-presidents were: Nova Scotia, Dr. Margaret Gosse, Halifax; Quebec, Dr. Eleanor McKenzie, Montreal; Ontario, Dr. Bradshaw, Windsor; Saskatchewan, Dr. Anna Nicholson, Saskatoon; Alberta, Dr. Margaret Collins, Edmonton; British Columbia, Dr. Isobel Day, Vancouver. Dr. Owen represents Manitoba. Vice-presidents for Prince Edward Island and New Brunswick were not announced.

The game contract in today's deal could not have been made except for a bad defensive play.

South, dealer.

Neither side vulnerable.

The bidding:

South	West	North	East
1 ♠	Pass	2 ♦	Pass
2 N.T.	Pass	3 ♠	Pass
3 N.T.	Pass	Pass	Pass

North's first response was too strong for his holding—two spades, or one no-trump, would have been more accurate.

West opened the heart jack and dummy's queen held. Now on a diamond lead, East wanted to put up the ace in order to return a heart through the closed hand, but he was afraid that West might have the diamond king singleton, and therefore ducked. West won and, probably panicky over the thought that the diamonds were now established, put down the heart ace in the futile effort to drop South's king. It was an ill-considered move, for now declarer could establish the diamonds at his leisure while effectively shutting out the rest of the heart suit.

On the bidding, it was a forlorn hope for East to lay down the heart ace. The far shrewder play would have been the ten of hearts! The crucial point was to leave East with another card in the heart suit for communication purposes. Then if East could stop either diamonds or spades, the contract certainly figured to be defeated—as it would have been.

School Fastball Final

Victoria Elementary Schools senior boys' fastball champs will be determined next Monday when George Jay meets Oaklands.

Both teams have completed the regular schedule without tasting a defeat, so an interesting battle is in store at the George Jay grounds. Norm Forbes is in charge of the North Ward nine, while Horace Dawson is at the helm for Oaklands School.

Game time is 3:30 p.m.

The rocky crust of the earth is about 40 miles thick.

HULL, England (CP).—London fish merchants recently telephoned Hull fishermen to stop dispatch of further supplies of cod. "The country is drenched with cod," said a wholesaler.
